## Kondinin Shire Council Election 2023

My name is Beverley Gangell and I am nominating again for the position of Councillor. I believe I'm an approachable person and can represent the community in having their ideas and issues heard and considered at council.

I'm 41 years old and have lived, worked and been a part of community groups within the community over most of these years. I manage a family owned business. I'm married have two children, a grandchild and live in Hyden.

I believe I can continue to assist in the development and growth of the community in all aspects. I will continue to have an open mind, positive thinking and bring fresh ideas to the council.

I would like to continue to be a part of a team that works together in creating forward thinking ideas, respectful of the community's needs and is passionate about our whole community.
