My name is Tom Mulcahy, and I am the father of three daughters, all away studying or working. I am a born and bred Hyden local with an interest in camping and exploring regional WA with my wife.

I am nominating for a second term as a councillor for our Shire.

Our communities were founded on the work of volunteers. When a job needs to be done, you just get in and do it. I have volunteered with the Hyden VES for more than twenty years, as Road Crash Rescue team leader, training officer and now as Captain. I have supported the Shire of Kondinin as Deputy Chief for the bushfire brigade for more than fifteen years, working with five different CEOs in that time.

With my training and experience in mind, and my farming and contracting background, I feel I am well positioned to continue to reflect the diverse needs and interests of our communities as a Shire Councillor. I am an approachable person; please contact me on 0427805292 if there are issues you would like to raise.
