Coordinator for Yeerakine Sundowners

Nat Roads has relinquished her role as coordinator of the Yeerakine Sundowners as she is relocating to Bremer Bay. These have been very enjoyable gatherings & I feel an important outing for oldies in our Kondinin & Kulin communities. Can you please all put thinking caps on for someone to be the main organiser & “presenter” for these from now on. Nat leaves big shoes to fill!! Her role was in an entirely voluntary capacity. It involved liaising with myself re catering arrangements, liaising with Joy Adams re transport from Kulin, organising games, music, raffle prizes, gifts etc. etc. Please make contact with anyone that you think may have the time, personality, affinity with the aged there may be someone that springs to mind – or it may be you!

Many thanks

Social News

The Kondinin P&C Annual Christmas Tree event was held on the 17th December. It was great to see all the kids get excited when Santa arrived on the fire engine! Santa had two elf helpers, Bridie and Mia, who did a great job!

It was celebrations all round at the Hyden Tennis Club Christmas tournament on the 17th of December. Father Christmas arrived in a large, red combine harvester and the kids were showered with lollies via the unloading auger.

Kondinin Early Years celebrated the end of term with a Christmas Party. Everyone brought a plate of yummy snacks to share and dressed up in Christmas clothes. It has been great to see so many children attend Early Years over the past year!

DO YOU HAVE A ROOM FOR A COUPLE OF MEDICAL STUDENTS FOR THREE NIGHTS?

Curtin Medical Student Rural Immersion Week
TUESDAY 12 TO FRIDAY 15 MARCH 2024

Share your *town and rural lifestyle*
with **doctors of the future**

Over 100 second year Curtin University medical students will attend the Curtin Medical School Student Rural Immersion Week, and hopefully be inspired to work in rural Western Australia.

During their stay, they will visit local farms, industry, general practices, hospitals and schools, and participate in community activities.

Do you live in or near Brookton, Corrigin, Dalwallinu, Katanning, Kondinin, Kulin, Moora or Wongan Hills?

As a host, we will ask you to provide accommodation for two or more students for three nights, be able to assist with transporting them to/from town, and share what it is like to live in your town with the students.

You are invited to come along to a Thank You dinner with the students on the Thursday night.

Why host?

If you live in or near one of these towns we would love to hear from you!

This is a life-changing experience for the students, with many having no previous exposure to rural life.

By providing these rural immersion opportunities early in their degree, it has been proven that students are more likely to explore rural career opportunities and have a better understanding of treating rural patients.

Some students continue to keep in touch and visit their host families, some return to do seasonal work and placements, others have joined mentoring programs and some have inspired host family members to pursue tertiary studies in health and medicine.

CEO CORNER

Welcome back to the Shire for 2024 as we continue our projects for our towns and ratepayers.

Council Meetings

There is no Council Meeting in January, so we have no items that have gone to Council this month.

Residents and Ratepayers are reminded that the Annual Electors Meeting will be held in Hyden at the Recreation Centre starting from 6pm on 14th February 2024.

A copy of the 2022/2023 Annual Report can be read from the Shire's website.

Copies of the Minutes are available from the Shire Office and website.

Hyden Oval

Due to the shortage of rain this year, we have been trying to keep the Hyden oval going and stretching out the water as much as possible.

We have recently started carting water for this month to keep the ovals going. While this is costly, we know that a lot of the community are on leave at this time of the year and we need to maintain the ovals.

Next month, we will be seeking assistance from the community to help cart water for the ovals until we can get some substantial rain to fill the dams again.

Swimming Pools

Our local Swimming Pools had a safety audit just recently and a few minor issues were raised that have been rectified.

One major issue raised was that the 3m diving board at the Hyden Pool is non-compliant as the water depth of the diving bowl is 10cm too shallow. Staff are looking into options of changing this to a platform or other use that would still be an exciting add to the pool and can entice patrons to the facility.

Patrons are reminded that while using the pools, please obey the rules of the centre including:

- No alcohol in the facility.
- No smoking or vaping in the facility.
- Patrons must be clean before entering water – shower facilities are provided.
- Appropriate clothing for the pool must be worn.
- Children under 10 years of age must be supervised by a person over 16 years of age.
- People under the influence of drugs or alcohol will be refused entry.
- Other rules that apply are on signs at the pools.

Our pools are great facilities and we want to ensure we can keep delivering these services. Your adherence to the requirements will greatly assist us.

Farewell to Cherith

Many patrons to the Hyden Office will have missed seeing Cherith's smiling face and welcoming manner. We are sad to announce that after a period of leave, Cherith has resigned from the Shire after 25 years of loyal service to our community.

We wish Cherith all the best in retirement, her knowledge and helpful attitude was a great benefit to the Shire and customers.

Electronic Vehicle (EV) Charger in Hyden

Hyden now has an EV charging station in town to allow EV users to come and explore our area.

This initiative was funded through a program with State Government funds and Synergy.

We thank Mark and Tory for their work with Synergy to ensure the best location for the service to be provided. We had several hurdles and lots of discussion before we could use the current location.

Public Notices / Surveys, Newsletter, Social Media, Etc

Just a reminder, to keep up with Shire information, please check our newsletter, public notices and social media. This information can be accessed from the Shires website.

Please email cso@kondinin.wa.gov.au if you wish to subscribe to The Echo.

If you have any concerns or queries on the matters raised or other Shire issues, please contact the CEO through the Shire Administration Office.

Method

Step 1

Heat wok over high heat for about 1 minute (see note). Add 1 tablespoon of the oil and swirl it around the wok to coat the entire cooking surface and heat for 30-60 seconds or until very hot. Add half the chicken strips and stir-fry for 1-2 minutes or until the chicken is sealed and just cooked through (see note). Transfer the chicken to a plate and set aside. Add about half the remaining peanut oil to the wok and repeat the process with the remaining chicken strips.

Step 2

Add the remaining oil to the wok and heat over high heat until hot. Add the onion and capsicum and stir-fry for 2 minutes (see note).

Step 3

Add the mushrooms and broccolini and stir-fry for a further 2 minutes. Add the ginger, garlic and chillies. Season with salt and stir-fry for 1 minute or until aromatic (see note).

Step 4

Add the soy sauce, oyster sauce and water and toss for about 1 minute. Return the chicken to the wok and stir until the vegetables and chicken are coated with the sauces and the vegetables are tender crisp.

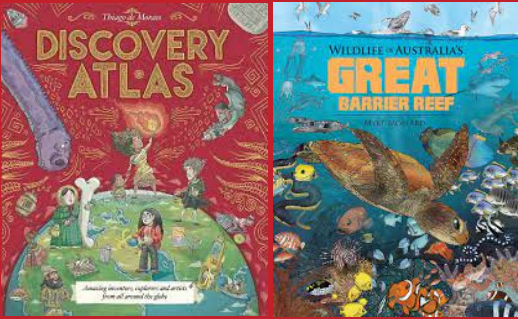

Step 5

Remove the wok from the heat, toss through the bean sprouts and coriander and serve the stir-fry immediately with cooked rice or noodles.
