Representing you as a shire councilor these past 4 years has been an absolute pleasure. I am again asking for your **# 1 vote** in this current election to provide fair, equitable and balanced decision making for our shire's communities.

Having strongly advocated for a doctor's presence 2 days a week in Hyden. A council that is transparent and compliant with good governance practices. Expanding the gravel road resheeting program to be a real and practical benefit to ratepayers, while balancing community capital works requirements with available funds. These are all achievements that I believe will set our shire up for the coming years to grow and prosper.

While living and working within our community my entire life, listening and acting in the best interests of ratepayers I again ask for your vote so I can continue to shape this future of ours together.

Vote # 1 Paul Green
