My name is Greg Gleeson, nominating for position of Councilor in the October 2023 LG Elections.

I'm 61yrs old and have resided in Kondinin since 2004 with my wife Lorraine. We have 6 children/9 grandchildren.

We run a small business in Kondinin, and currently in the process of transforming the recently closed N.A.B into a local cafe.

I'm very supportive of community groups and their work, I'm currently the Secretary/Treasurer of the Kondinin Men's Shed A position held for the past 5 years.

I'm a member of Kondinin Wind and Solar Farm Community Consultative Committee set up 12 months ago to liaise with Community members and the project owners Shell and Foresight and enjoying my involvement with this Commitee.

I welcome the Challenge of a seat at the table working to represent the local and wider community. I believe in the need for equal representation for ratepayers and community members is extremely important and ask for your support in achieving this.
