I am nominating for the position of councillor, after 1 term as a councillor I feel I've gained much experience and still have plenty to offer.

Locally schooled then onto the beginning of Western Power based at Kondinin for 17 years then onto running a small business with my wife Margi at the Kondinin Hotel coming into our 25th year.

I have my own passions for the shire but cannot let them overrule everyone's passions and what would benefit the shire as a whole.

The last 4 years have been testing as a councillor and as a business owner dealing with lock downs, staffing ,rising costs and general supply but we have come out the other side with rising costs and general supply of goods still a issue.

Slowly but surely we have movement regarding housing for nurses which has been left up to local government to supply, plaudits must go to the admin staff .

I would like to continue working together with fellow councillors and admin staff to put forward the whole community needs as a priority.
