SUMMARY

To provide information on the current road works programs for various funding for the Shire.

BACKGROUND

The Shire of Kondinin Annual Budget was adopted on the 16th August 2023. With the Budget was the Works Program that was formulated with the Works Committee and staff based on works required and funding availability.

This year’s works program is very extensive and will likely require contractors to ensure all works are completed.

REPORTING OFFICER’S COMMENT

The current road works program for 2023/2024 includes the following works:

Regional Road group RRG		
Lovering Road	Reseal, Shoulders and Construction	\$604,900
Shire Funds

Other Works		
Kondinin Cemetery	Entrance and carpark	\$ 92,545
Truck/Carpark Hyden	Drainage and gravel	\$173,870
Hippos Yawn	Drainage and construct	\$ 61,045

Budget allocation for the Hyden truck bay is for the full works and seal, however in discussion, this may be reduced to just drainage and gravel works with sealing considered at a later date.

Hippo's Yawn originally was going to be sealed, however, this was reduced to gravel sheet to improve access and monitor with consideration of a seal at a later date if required.
