Town Planning Matters Update

Project/Matters	Status
Report of Review by the Department of Planning, Lands and Heritage as a precursor to the preparation of a Local Planning Strategy and review of Local Planning Scheme.	IN PROGRESS The RoeROC Shires have collectively engaged the Department of Planning, Lands and Heritage to prepare a Report of Review for each of the member shires as a 'health check' on our planning frameworks. Report of Review endorsed by Council on the 25 June 2025 Ordinary Meeting of Council for endorsement to forward to the Western Australian Planning Commission. Acknowledgement received via email on 11th August 2025 from Department Planning, Lands and Heritage that document has been receipted. Meeting held with the Department of Planning Representatives on Wednesday 30th July 2025 and matter with the Department of Planning, Lands and Heritage to provide documentation to the Shire for review. <i>Report of Review has been endorsed by Western Australian Planning Commission and advertised accordingly.</i>
Scheme Amendment No. 9 to the Shire's Local Planning Scheme No.1.	IN PROGRESS Council at its Ordinary Meeting of Council held on the 15 February 2023 approved to initiate scheme amendment process. Referral sent to Environmental Protection Authority (EPA) who have advised that more information is required to address potential environmental issues before matter can be progressed. Flora and Fauna Study needs to be completed to progress the Amendment. Consultant engaged to undertake surveys in Spring has been undertaken and reports have been received. Administration worked with the EPA to finalise suitable provisions to be included in the Scheme Amendment to progress matter. Matter was re-presented back to Council at its Ordinary Meeting held on the 19 June 2024 with amendments and documentation referred to EPA for consideration. The Environmental Protection Authority (EPA) carried out some investigations and

	inquiries before deciding not to assess this scheme. In deciding not to formally assess schemes, the EPA has determined that no further assessment is required by the EPA. The proposal has been provided consent to advertise from Department of Planning, Lands and Heritage and advertising commenced and closed on the 16 October 2024. Further information has been required relating to traffic management and bushfire management in which consultants have been engaged to undertake the reports required by Main Roads WA and Department of Fire and Emergency Services respectively and reports were all received by end of November / early December 2024. Matter presented to the 16 February 2025 Ordinary Meeting of Council and all documentation has since been submitted to the DPLH for determination. Minister has approved Scheme Amendment and Shire Administration working with DPLH to complete process. <i>Scheduled for publication in the Government Gazette on 23 October 2025 and associated advertising will be completed week beginning 27 October 2025.</i>
Proposed Wind Farm, King Rocks, Hyden and Associated Workforce Accommodation	IN PROGRESS The Shire's Administration held meetings with SynergyRED and their contract town planners, Urbis, to discuss the proposed wind farm at Lots 2640 and 2485, King Rocks Road North, Hyden. The plans and supporting technical reports were prepared and submitted to the Shire in August 2022. Due to the scale/cost of the development, the matter was determined as a JDAP (Joint Development Assessment Panel) application. <i>The development Application was approved via a JDAP Zoom meeting on the 15th of November 2022. Minutes can be viewed at the following link to the DPLH website:</i> https://www.dplh.wa.gov.au/departmentofplanninglandsheritage/media/daps/regional%20jdap/minutes/2022/november/20221115%20-%20minutes%20-%20no%2074%20-%20shire%20of%20kondinin.pdf

	<i>endorsed, and all three stages of Building Permits have been issued and works commenced. Awaiting feedback on letter to complete crossovers to site.</i> <i>Shire's Administration reviewing road maintenance agreement in liaison with Shire's solicitors.</i>
Proposed Wind Farm, Kondinin	IN PROGRESS Development Approval with conditions was issued as a DAP application in 2018. The Shire's Administration has been in regular contact with Lacour Energy to finalize access locations off Notting-Karlgarin Road, together with matters relating to water and local materials. Drill testing was undertaken in 2022 to confirm turbine locations. The Planning Approval remains valid until 8th November 2025 and detailed plans of the final design of the windfarm and accompanying Construction Management Plan and Operational Management Plan, a Noise Management Plan and other related documentation are required to be submitted to the Shire of Kondinin as part of the conditions of planning approval. Lacour Energy has advised that they have now secured investors (Shell Energy Operations and Foresight) to progress the project. The Community Consultative Committee has been appointed and meet on a quarterly basis. Item was presented to 12 February 2025 Ordinary Meeting of Council to consider a two (2) year extension to the original development approval, to November 2027. Following a briefing session from Shell on the 11 March 2025 the matter was presented to the 19 March 2025 Ordinary Meeting and supported by Council as amended to include an increase in the community benefit fund contribution. Matter was again considered at the April 2025 meeting of the Council with amendments to the wording of the recommendation. Requirements of Development Application (i.e. Management Plans) have been submitted and are being considered by Shire Administration and reported to Council under a staged process. The Construction Management Plan and Aviation Plan

	being presented to the May 2025 Ordinary Meeting of Council which have incorporated comments received previously from Council and Shire Administration. EMI (Electronic Magnetic Interference) report presented as a separate item to the December 2024 Ordinary Meeting of Council and laid on the table until further detail is provided by Applicants. Shire Administration is working through the reports with Shell an amended document was presented to the June 2025 Ordinary Meeting of Council and endorsed by Council. <i>Information to address additional information requested by Council at the June 2025 Ordinary Meeting has been submitted to the Shire's Administration for information. Shell scheduled to provide an update to Council at the Ordinary Meeting on the 19th November 2025.</i>
Lots 19, 20 and 21 Foundation Street, Karlgarin (land across Karlgarin Bowling Rink)	IN PROGRESS Council at its Ordinary Meeting on the 20th of October 2021 approved the offer from the Karlgarin Country Club to purchase the Lots 19 & 21 Federal Street, Karlgarin. A settlement agent was engaged, and the process was stalled whilst original titles and/or statutory declaration with supporting information were cited by the settlement agent. Lost Title Application has been approved, and new titles have been issued. Settlement took effect on the 23 July 2023. Crown Inquiry Form has been submitted to the Department of Planning, Lands and Heritage to amalgamate the newly acquired lots to the middle Lot 20 to create one reserve for bowling green. Liquor licence arrangements are being discussed with the Karlgarin Country Club and the Karlgarin Bowling Club. Department of Planning, Lands and Heritage have approved the amalgamation and the Shire's Administration have submitted documentation to finalise matter. A new Crown Reserve over the three lots has been created (31640) and is vested in the Shire of Kondinin for the purpose of bowling green.

	Amalgamation of Lots 19, 20 and 21 to correspond with the Reserve is currently with the Department of Planning Lands and Heritage. <i>No new information on this project this month.</i>
PTA Land – Leased Areas along Marshall Street, Hyden (L7363 and L3553)	IN PROGRESS Over the last two to three years, correspondence over the proposed development of this land has ensued through site meetings and emails between the Shire of Kondinin Administration, the Hyden Progress Association and the lease property managers, Burgess and Rawson. LEASE AREA – The Shire has submitted all necessary documentation to the landholders (PTA) via Burgess and Rawson (Property Managers) to amend the lease and approval for the HPA developments. Confirmation that the lease will be amended to incorporate the slither of Arc land connecting the main road has been received and the amended lease is currently being prepared. PTA has advised that no development otherwise is to be constructed in the Railway Corridor. The Shire's Administration sought feedback from the HPA and prepared a Development Plan which was adopted by Council at its Ordinary Meeting on the 20th of April 2022. Item presented to the 15 May 2024 Ordinary Meeting of Council to seek approval for further expansion of the leased area L3553 with the PTA to enable the installation of additional historic displays to complement the relocated barracks and goods shed. Council recommendation and associated documentation has been submitted to lease manager, Burgess Rawson who as of April 2025 have received the approval from PTA to progress with the amended lease. <i>Amended leases have been submitted to the Shire of Kondinin.</i> The Shire submitted a Maintenance Request Form Request to Arc Infrastructure to seek permission to carry out works to make good the landings on the Goods Shed

	and the Loading Dock area. Permission has been received, and contact has been made with a contractor to complete the work. Meeting on site was held on the 4 April 2024 to discuss details of scope. The rear loading dock has been removed by HPA. Shire's Building Contractor has been in touch with timber providers to source timber for the job and has been completed. RAILWAY BARRACKS The Shire's Administration sought quotations for the demolition and installation of the relocated barracks and reported the matter to the 14 December 2022 Ordinary Meeting of Council, where Council resolved to lay the matter on the table until a community quotation was obtained. The community quotation received from the Hyden Progress Association was accepted by Council at its Special Meeting on the 7 February 2023. Building and Demolition Permits were issued on the 9 March 2023. <i>Works have now been completed. Notice of Completion Forms have been completed. Options for CCTV cameras were provided to HPA by the Shire's contract CCTV provider and costs included in 2025/2026 Shire budget. CCTV contractor met on site with Shire Administration and HPA on 17 October 2025 to finalise location of cameras. CCTV cameras have now been ordered and scheduled to be installed in November 2025.</i> SITE PLAN & DRAINAGE WORKS Following the engagement of a civil engineer a formal site survey and bill of quantities has been prepared to inform future drainage, surface treatment, parking, truck layout and location of a potential public toilet and the railway barracks in this leased area along Marshall Street, Hyden. Costings included in the 2023/2024 budget and formal quotes and scope of works finalised. Concrete crossovers have been installed.

Works to Bendering Hall	IN PROGRESS Basic works to ‘make good’ have been completed, with exception to the doors. Contractor aware that works need to be completed and due to current workload works have not yet been completed. Interpretive signage has been completed and installed. <i>No further update to provide.</i>
Upgrades to Kondinin Pavilion	IN PROGRESS Requests for quotes were sought for concept plans and costings for the Kondinin Pavilion comprising a new roof and internal alterations and refurbishment to the kitchen and function area as per the timeline within the Sports and Recreation Plan 2021 – 2031. Quotations closed on 30th September 2022 with three quotations received. The preferred consultant has been engaged to undertake the project. Project Scope endorsed by Council at its Ordinary Meeting on the 16th of November 2022 and first draft concept was received in January 2023 and discussed at the KCRC meeting on the 8 February 2023. A community workshop was held with the architect on the 27 February 2023 to discuss the proposed plans with local community members. Good attendance from community and sporting groups and constructive feedback provided to the architect. Plans tweaked to factor in community feedback and costings prepared by the Architect's Quantity Surveyor submitted in May 2023 and matter presented to the 17 May 2023 Sports Council Committee Meeting. Letter received from Kondinin Community Recreation Council finalising the scope and their cash contribution. Matter presented to the 21 June 2023 Ordinary Meeting of Council endorsing the progression of the project. Shire Administration have completed and submitted grant application and supporting documentation for CSRFF in collaboration with Kondinin Community Recreation Council. Other funding sources also being investigated.

	Grant Application successful and currently working through plans for tender package. Site meeting held on the 30 April with architects, Shire Administration and Kondinin Community Recreation Council to progress detailed design drawings and engineering reports. Tender closed and presented to a Special Meeting of Council on the 2 April 2025 for determination. Contract awarded and works have commenced and progressing well for project to be completed by December 2025. Stage 1 of the Project has been completed as it relates to the Local Roads and Community Infrastructure Program – Phase 4. <i>Various challenges have been experienced not uncommon with upgrades to existing building which are working through with the builder and architect. Recent issue identified is the structural integrity of the brick work of the eastern wall. We have negotiated for some of the brick work to be reinstated and the remainder to be cladding. Once this has been sorted project will be back on track. At this stage now looking at the end of January 2026 completion date.</i>
Cemetery Upgrades	IN PROGRESS HYDEN – Two meetings have been held on site with Shire Administration, Department of Parks and Wildlife, Shire Councillors and Hyden Lions Club to discuss access, enlarging of site, additional niche wall. The community members advised that would confirm proposed area of site to be enlarged to which the Shire can then follow up with the Department of Parks and Wildlife, being adjacent to a Class A Reserve. Both Shire and Community Members were to look into options for niche walls for consideration and costings. The Lions Club have also formally written to the Shire's Chief Executive Officer in which a site visit was arranged and a response letter sent in January 2024. Meeting held on the 4th November 2024 with members of the Hyden Lions Club, Council Members and Shire Administration. Matters discussed included: access, expansion of site, niche wall, shelter structure and toilet. Shire Administration have received plans which show new layout of cemetery and will progress matter in liaison with the Hyden Lions Club in 2025. Shire Administration are in liaison with DBCA and DPLH to progress with enlarging the Hyden Cemetery Reserve. Matter was submitted as a separate item to 12th February 2025 Ordinary Meeting of Council and documentation has since been submitted to DBCA and DPLH to progress the matter.

	TOILETS AT BOTH SITES – the Shire's Administration have sought quotes on this ranging from \$20,000 to \$200,000. Matter to be presented to Council for budget considerations in due course.
Signage, Bollards and Pathway to Hyden Youth Base	IN PROGRESS Bollards delivered and job awarded to complete footpath. Works to footpath have commenced. Signs have been ordered and will be installed once path completed. <i>Footpath carried over to be completed in 25/26 financial year following completion of Hyden Golf Club upgrade.</i>
Hyden Hall Ladies Toilets	IN PROGRESS Plumber attended to site on 6th June 2024 to assess sewer situation. Tree roots found to be penetrating drain between septic tanks and toilets causing blockages. Tree roots were cut back and removed. Plumber used camera to view septic tanks which were not overflowing and appeared to be working fine. Plumber could not get camera into leach drains. To completely assess situation will be a big job to remove pavers to access the tanks and the leach drains. As a way forward, the Shire Administration is investigating options to upgrade ladies' toilets and include disability access. Scope and plans to be prepared first. Initial meeting with draftsperson has been held on site. Varying opinions from Council and Community Members ranging from upgrades to existing toilets to the construction of a new toilet block linked to the hall. Administration awaiting further direction from Council to pursue this further. Matter was presented to Housing and Building Committee Meeting on the 24 July 2024 and 20 November 2024. Plans and costings have been received for a standalone new toilet block which was tabled for discussion at the next Housing and Building Committee Meeting in 2025 on the 12 February 2025. Community Meeting was held onsite on the 6 March 2025 to discuss the proposal with the preference being for an onsite build that would be incorporated into the hall whilst also having dual use to Coronation Park and the upgraded area around the CWA / Memorial. <i>The Shire's Administration will organise a scope, concept plan and costing in 2025/2026 financial year.</i>

Stafford Park, Karlgarin	IN PROGRESS Shire Administration liaising with Karlgarin Progress Association to arrange upgrades to Stafford Park, including a dump site, signage, area for RV parking and a display shed for old farm machinery. Works included in the 2024/2025 budget. Shire Administration met on-site with Karlgarin Progress Association on the 1 November 2024. Contractor awarded for signage and contractor awarded to install dump site. Shire to undertake earth works. <i>Earthworks completed. RV dump completed.</i> New 'Stafford Park' sign has been completed, however waiting on timing in with Kondinin Entry signs for installation. <i>Additional directional signage for Rest Area and RV Dump site has been ordered and will be installed in coming months in liaison with Karlgarin Progress Association and coupled with advertising and promotion through various avenues.</i>
Gym Proposal	IN PROGRESS Surveys were distributed across the Shire seeking interest in the consideration of a gym/s. Results have been collated indicating overwhelming support from the 124 respondents. Matter was discussed at the Housing and Building Committee Meeting on the 24 July 2024. <i>Quotes for equipment has been obtained and working through options to progress matter.</i>
Kondinin Caravan Park	IN PROGRESS New signage has been installed with now all bays for powered and non-powered sites numbered. Room Manager Booking System to be amended for all bookings to be made online or through the Shire office. Kondinin Roadhouse and Kondinin Hotel to be removed as places to book for Kondinin Caravan Park and respective business owners will be advised accordingly once new system is established. <i>Additional taps have been installed and new signage for each powered site has been made and currently waiting on poles to install. Also obtaining quotes for Wifi at the Caravan Park. Once this in place and new signs installed the new system can take place. Wifi upgrades quotes have been updated and will be considered in the 25/26 budget review or 26/27 budget.</i>
Entry Signage – Kondinin	IN PROGRESS Preferred design finalised in liaison with Kondinin Community Recreation Council and contractors awarded. Signage section completed and waiting on contract to complete walls before installation.

	<i>Carried over to 25/26 budget.</i>

CEO REPORT

Projects Update

Project	Synopsis	Recent
<i>Proposed Visitor / Discovery Centre – Hyden</i>	<i>Establish a MOU between Shire and Hyden Progress Association (HPA) regarding land on McPherson St and Marshall Street Hyden. Establish a working group as the conduit for community consultation and input. Prepare scope of works for concept plan to source funding</i>	COMMENCED December 2024 - Waiting on funding from RPPP, preparation of funding application to start for further RPPP funding. February 2025 – Funding through RPPP has been announced, but we have not heard anything indicating we were not successful. State Government has not committed to project in announcements so cannot implement state 2. Still looking at funding from election promises. Suggestion from Senator Dean Smith, may be better after the election. March 2025 - We are currently updating our information as the quotes for construction will expire on 30th June 2025. From this, a booklet will be prepared for engaging Heads of Agencies and then Political Members for funding. April 2025 – New costing has come back for building, approx. \$16m. Sending to Econisis for Cost Benefit Analysis. Suggestions from working group to submit application for funding whole project. Grant writer will be unavailable until next month and recommended waiting until after election to see if the RPPP grant changes before submitting application. May 2025 – Costings and Cost-Benefit-Analysis have been updated. Juliet Grist currently preparing document for publication for meeting with HOA's and grant. Draft should be prepared by end of month and able to go to printing with WDC funds. June 2025 - Hyden Progress Association passed a motion at its general meeting held on the 16th June 2025 to cover the costs of Juliet Grist for the feasibility study and grant material preparation for the Wave Rock (Katter Kich) Discovery Centre. August/September 2025 – Meetings between the HPA, grant writer & CEO. Various issues require clarification under MOU for inclusion with grant submissions and for clarity across planning and

Local Law Review	Review of Local Laws	July 2025 – Writing Parking Local Law in house September 2025 – The local law will be re-visited within the ensuing four (4) weeks.
Hyden Weekender	Septic Dam	The EHO has authorised the pumping out of 136,000 litres of effluent from the Hyden Wave Rock sewerage pond to allow for the Hyden Weekender to proceed. <i>This will put pressure on the Kondinin and Hyden effluent dump areas as the EHO has confirmed with DWER that the Shire of Kondinin Transfer Station licence does not stipulate how much liquid waste can be accepted although it refers to 5000 tonnes total waste per annum for the site. Subsequently the Environmental Protection Regs refers to a maximum of 100,000 litres of liquid waste per annum that can be accepted where there is no reference in the licence. For the Hyden Transfer Station, it is likely that we can accept less than 100,000 litres per annum given that site is only registered and is not licenced.</i> <i>This will also put pressure on the facility in general as it will limit the amount of effluent that can be dumped from general septic pump outs, the Synergy wind farm and the Hyden Norseman Road portable toilets currently being dumped at the site.</i> <i>For a long-term solution, this item needs to be an immediate priority for the new CEO. With the EHO. The Acting CEO has agreed to waive the dumping fees for this time to help resolve this situation.</i> September 2025 – Consultant report reviewed and options considered. An alternate option is being prepared for presentation to the new Council (Caretaker provisions are currently in place during the elections). Interim arrangements for the
