

SPORTS COUNCIL COMMITTEE

10.1 FINALISING SCOPE OF HYDEN RECREATION CENTRE EXTENSION

Applicant:	Shire of Kondinin
Author:	Tory Young (MPA)
Authorising Officer:	David Burton – Chief Executive Officer
Date:	15 August 2022
Disclosure of Interest:	Nil
Attachments:	QS Report V.1 and V.2 Original Stage 2 Plans 2014 CAD Drawing 2019 Plans from Architects 2021 Emails from Hyden Sports Council Proposed Changes from Sports Council Emails on Indoor Netball Courts Amended Plans from Architects 2022 Sports and Recreation Facilities Plan 2021 – 2031 Hyden Sports Precinct Plan

COMMITTEE RECOMMENDATION

1. That a public survey be prepared by the Shire Administration in liaison with the Sports Council Committee that is distributed to the whole Shire community for a two (2) week period seeking feedback on the following two (2) options to determine a way forward for the Hyden Sports Pavilion:
 - a) Extend existing Hyden Sports Pavilion; or
 - b) Demolish Hyden Sports Pavilion and construction of a new Pavilion incorporating all surrounding playing surfaces, noting this will require a significant cash contribution from the community;
2. Following the collation of the public survey and a further meeting of the Sports Council Committee, a public meeting is held to discuss and vote on the two options presented in the survey;
3. A further meeting of the Sports Council Committee is held following the public meeting to determine the progression of the project; and
4. Advise Council not to proceed with the application of any grant funding until a firm direction for the project is resolved.

SUMMARY

The purpose of this report is to discuss and finalise the scope for the extensions to the Hyden Recreation Centre. The latest version from architects and earlier plans are attached for consideration.

BACKGROUND

In 2016 Council completed Stage 1 of the extensions to the Hyden Recreation Centre which included enlarging the function area, upgrading the kitchen and bar area, providing a unisex accessible toilet and upgrades to the ladies change rooms. The second stage was to be completed at a later date and included a gymnasium, additional storage and upgraded change rooms.

At the Ordinary Meeting of Council held on the 18th September 2019 Council supported the Shire's Administration to arrange a project brief and seek quotations from suitably qualified practitioners to prepare detailed plans, engineering drawings and a quantity surveyor report to progress with Stage 2 of the extensions based on a floor plan from the Hyden Sports Council proposing a new gym, upgrades to the men's change rooms and additional storage space. At the Ordinary Meeting of Council held on the 18th March 2020, Council awarded Slavin Architects to prepare the plans and associated documentation.

In August 2020 preliminary concept plans were prepared and a QS report submitted to the Shire with an estimate project cost of \$2,457,677. Based on these costings the following funding model was proposed by the Shire's Administration and presented to Council at its Ordinary Meeting on the 20th July 2022.

At this meeting Council resolved that it could commit to a maximum of \$2.5 million to the project, which included any grant funding and contribution from the Hyden Sports Council.

- **Shire Contribution** - \$1,534,234 (\$1 million cash plus the \$534,234 Local Roads and Community Infrastructure (LRCI) Federal funding phase 3 extension money which is available from July 2023).
- **CSRFF Contribution** - \$819,226 (If successful with 1/3 funding from CSRFF)
- **Hyden Sports Council** - \$104,217

(NB any shortfall of funding not received by the grant funding or Hyden Sports Council in the above model to be met by the Shire of Kondinin)*

Meetings with the Department of Local Government Sports and Cultural Industries (DLGSC) were held on the 8th December 2020 and the 9th March 2022 with representatives from the Shire's Administration, Council Members and the Hyden Sports Council to discuss the eligibility of the project for the CSRFF funding and what needs to be completed to submit in a grant application. Initial feedback from the DLGSC have indicated that the project is eligible, but aspects of the project have higher priority than others, as follows:

- Women's and away team change rooms – high priority
- Gym Construction – low priority
- Storage space – medium to high priority
- Improved spectator viewing and meeting space (childcare space) -low priority

As recommended by the DLGSC the Shire prepared a Sport and Recreation Facilities

Plan 2021 – 2031 and an accompanying Precinct Plan, both of which have been endorsed by Council.

With due regard to escalating construction costs, the Shire's Administration have received an updated QS report indicating that the projected cost if work were to commence in January 2024 would be \$3,313,801. This assumes that costs will continue to escalate, although an opinion is that they may stabilise as rate increases begin to impact. Based on the fiscal capacity of the Shire it is not possible to go ahead and submit a grant application for a project of this magnitude.

As such, it is recommended by the Shire's Administration that discussions are held with the Hyden Sports Council and the architects to devise a scope of works to a maximum construction cost of \$2,500,000. Obviously when the project goes out for tender the actual cost may vary but we need a figure based on a QS report to submit with the grant application.

The Shire are currently awaiting a formal response from the Hyden Sports Council, however they have provided an indication that they will be able to provide \$50,000 cash towards the project and are currently seeking pledges from local sporting groups and progress associations for additional contributions, which will assist in reducing the contribution from the Shire.

Since the Council Meeting on the 20th July 2022, the architects have submitted a draft sketch to factor in the additional considerations by the Hyden Sports Council and an attempt to reduce the project cost to \$2.5 million. The sketch was submitted with the following information.

I've prepared a very rough sketch of the new brief/design you sent through to establish approximate building areas – see attached. I've also now discussed costs with Graham Peden from Wilde and Woollard – the quantity surveyor for the project. His view, after considering the area and high level of servicing for the building, is that the construction cost in today's market will be of the order of \$2.5m. In addition, there are the other add-on costs including fees, which will take it to around \$2.9m. It must be remembered that these estimates are based on today's construction costs, which is an issue given the high level of escalation we're experiencing in the industry".

It is also important to note that the STED connection line has been identified as located in the general vicinity of the proposed extension area. Information has been obtained from Water Corporation about this indicating that essentially the connection line is the Shire's infrastructure and not part of the Water Corp's STED infrastructure providing the Shire with some flexibility in the potential relocation.

REPORTING OFFICER'S COMMENT

In order to be in a position to apply for grant funding and progress this project, the Shire's Administration seeks consensus on the scope of this proposed development through input from the Council Sports Council Committee, the Council and the Hyden Sports Council, representing the needs and priorities of the local community and sporting groups.

As resolved by Council at its Ordinary Meeting on the 20th July 2022, the maximum commitment to fund this project over a two year period is \$2.5million, which includes any grant funding received or contributions from the Hyden Sports Council / Community Groups.

In collaboration with the Shire of Kondinin, the scope is to address the priority areas identified by the Hyden Sports Council, representing the needs of the local community and sporting groups, to improve this facility within a \$2.5million budget.

STATUTORY ENVIRONMENT

- Local Government Act 1995
- Local Government (Functions and General) Regulations 1996

POLICY IMPLICATIONS

Shire of Kondinin Policy # Fin 002 – Purchasing

Shire of Kondinin Policy # FACS 003 – Sporting Club and Amenity

PUBLIC CONSULTATION

- Community Survey is required for Grant Application
- Regular consultation with Hyden Sports Council through planning stage
- Community Meetings with the Department of Local Government Sports and Cultural Industries
- Community Engagement in preparation of Recreation Facilities Plan 2021 – 2031
- Community Workshops held in February 2022 seeking feedback on priority of Hyden Recreation Pavilion Extension and Hyden Visitor Centre

FINANCIAL IMPLICATIONS

The Council at its Ordinary Meeting has endorsed a maximum of \$2.5 million to the total project cost over the 2023/2024 and 2024/2025 financial years.

STRATEGIC IMPLICATIONS

Shire's Strategic Community Plan 2022-2032

"COMMUNITY

1.4 Recreational and social spaces encourage active and healthy lifestyles

Achievement of the Sport and Recreation Facilities Plan

Parks, nature reserves and community spaces are green, tidy, accessible and activated"

VOTING REQUIREMENT

Simple Majority

FURTHER BUSINESS / POINTS RAISED AT THE MEETING

Manager Planning and Assets provided an overview of the project and presented the various plans that have been prepared since 2014.

Chief Executive Officer provided an overview of the financial situation and the impact of increased costs since the project was first costed in 2020.

Cr James – proposal needs to be considered alongside other projects across all three town sites in the Shire. Due consideration needs to be given to the affordability of the project by the Shire and the community at this point in time. Wary of replicating large recreation facilities in neighbouring Shires of Corrigin and Kulin and the on-going costs of these facilities in the long term.

Cr Mouritz – endorsed former Cr Lynch's recommendation for the existing pavilion building to be demolished and a new purpose built building constructed that better accommodated all playing surfaces in the Hyden Sports Precinct. Noted importance to seek feedback on what the community want.

Cr Pool – questioned why the proposed extension is to the north of the building rather than the south. Noted importance of weighing up costs and the needs of the community.

Feedback was received from all the community members in attendance at the meeting, summarised as follows:

- Current building is in the wrong spot. Would be better as an 'L' shape that incorporates all existing playing fields in the Sports Precinct including tennis, football, hockey, netball and a provision for bowls.
- Need to obtain more input from all the community to obtain a broader insight into the priorities for the Hyden sports pavilion and the sports precinct in general in the medium to long term.
- Whole building and all its users need to be considered. I.e. the function centre area is not large enough to accommodate a number of events (e.g. wind ups, funerals etc.) and is at capacity during one day sports days.
- Need for a committed community 'buy in'. If preference is to undertake a new build then the community need to organise a community cropping program to raise funds to contribute towards the project. Might take 4 – 6 years to raise the funds required.
- Nothing structurally wrong with the building now that the roof has been fixed, and therefore no need for it to be demolished. Concerns that a new build will not adequately accommodate all sporting playing fields in the precinct.
- Need to weigh up the pros and cons of a new build and the extension of the existing. I.e. will need to wait much longer to get a new build involving significant community fundraising verses the extension can largely be undertaken in the existing Shire budget, a small contribution from the Sports Council and potential grant funding.
- Extension to the existing building will be OK if it is done properly and accommodates all the needs of the community and users of the facility.

- Important to take a long term outlook towards the project. A new building doesn't have to be bigger, but just more functional and one that better incorporates all the playing surfaces in the Hyden Sports Precinct.
- A community the size of Hyden does not warrant a sporting facility the size of the Recreation Centres in Kulin or Corrigin. Need to be realistic about matching the facility with the population base and financial support to build and maintain in the long term.
- Whether a new extension or new build is undertaken, both will be good, however in the longer term the maintenance and management of one facility would be preferred. Important that we get it right and are proud of the outcome.
- Acknowledgement that the Hyden Tennis Club are scheduled to spend considerable funds on a court resurface and building in the short term. New roof is a short term need that is being largely funded through the Local Roads and Community Infrastructure Program.
- A new building doesn't have to be 'big', rather it needs to be functional and factor in all the sporting playing surfaces in the sporting precinct, plus other user groups. It could be argued that a better use of funds in the longer term would be one good project at say \$6 million than a 'tack on' at \$3 million. Acknowledge that to get a new build would require the lease of land to undertake a 4 – 6 year cropping program facilitated by the local community.

Cr Gangell acknowledged that there was a split of opinion within those in attendance and concurred that the best way forward was to undertake a community survey followed by a public meeting to determine the way forward for this project. A resolution was formulated addressing this to replace the recommendations within the Agenda.

Cr Gangell also noted that the matter would be presented back to Council to reconsider the resolution of the 20th July 2022 Ordinary Meeting of Council in turn postponing the application of a CSRFF grant funding and re-directing Phase 3 Extension Local Roads and Community Infrastructure funding to be spent on other projects in the 2023 – 2024 financial year.

CONSTRUCTION NOTES

- PHYSICAL TERRACE BARRIER TO DIVIDING AND BOUNDARY WALLS TO AS1660.1 AND MANUFACTURER'S SPECIFICATIONS.
- CHEMICAL TREATMENT TO COMPLY WITH AS3660.1 AND MANUFACTURER'S SPECIFICATIONS.
- SOAPWELLS & R.W.D.P. NUMBER AND LOCATIONS ARE INDICATIVE ONLY. TO BE CONFIRMED BY CONTRACTOR ON SITE BEFORE CONSTRUCTION TO COMPLY WITH B.C.A. Part 3.5.2, 3.1.2 & AS/NZS 3500.3, AS/NZS 3500.5
- TIMBER FRAMING TO BE IN ACCORDANCE WITH AS1618. TRADITIONAL TIMBER FRAMED CONSTRUCTION (UNLESS NOTED OTHERWISE).
- MECHANICAL VENTILATION TO REQUIRED WET AREAS IN ACCORDANCE WITH AS1668.4.2. AND B.C.A. F4.5 REQUIREMENTS (ALL VENTS TO BE DUCTED TO OUTSIDE)
- INSULATION TO CEILING & WALLS (REFER TO ENERGY EFFICIENCY REPORT) TO BE SUPPLIED / INSTALLED IN ACCORDANCE WITH AS/NZS 4859.1 AND B.C.A. REQUIREMENTS.
- SAUSTRUDE TO BE CONSTRUCTED IN ACCORDANCE WITH B.C.A. PART 3.9.2
- HANDBRAILS TO BE PROVIDED AND BE CONSTRUCTED IN ACCORDANCE WITH B.C.A. A.4.2
- BRICKWORK (INCLUDING BRICK VENEER) SHALL BE IN ACCORDANCE WITH AS3700 - MASONRY CODE AND B.C.A. REQUIREMENTS.
- BATH AND SHOWER INSTALLATION AND WATERPROOFING TO BE CARRIED OUT IN ACCORDANCE WITH AS 3740 AND PART 3.8.1 OF VOLUME 3 B.C.A.
- SANITARY COMPARTMENTS TO BE IN ACCORDANCE WITH B.C.A. PART 3.8.3.3
- GLAZING TO BE SUPPLIED AND INSTALLED IN ACCORDANCE WITH AS 1888, 1047, 1428.1-2009 AND B.C.A. PART 3.6.9
- GAS FITTINGS AND OUTLETS TO BE IN ACCORDANCE WITH GAS STANDARD (GAS FITTINGS & CONSUMER GAS INSTALLATIONS) REGULATIONS 1999
- STAIRWAY MUST HAVE TGSI INSTALLED IN ACCORDANCE WITH A.S. 1428.1-2009 AND TO BE CONSTRUCTED TO B.C.A. 02.13 REQUIREMENTS
- PORTABLE FIRE EXTINGUISHERS ARE TO BE INSTALLED IN ACCORDANCE WITH B.C.A. F4.6 AND AS 2444 AS REQUIRED.
- ALL EXIT SIGNS AND EMERGENCY ESCAPE LIGHTINGS TO BE INSTALLED IN ACCORDANCE WITH AS 2293.1-2009
- ALL LIGHT SWITCHES TO BE AT 1000mm AFL.
- AUTOMATIC DOORS MUST FAIL IN THE OPEN POSITION IN A POWER FAILURE.
- ALL DOOR HARDWARE TO BE LEVER TYPE LOCATED BETWEEN 900mm AND 1000mm AFL TO COMPLY WITH B.C.A. D2.1
- LIFT-OFF HINGES TO BE INSTALLED IN SANITARY COMPARTMENTS AS REQUIRED TO COMPLY WITH B.C.A. F5.5
- INSTALL SIGNAGE FOR SANITARY COMPARTMENTS TO COMPLY WITH AS 1428.1-2009
- SECURITY SCREENS TO BE INSTALLED ON ALL OPENABLE WINDOWS

Emails from Hyden Sports Council May and July 2022

On 19 Jul 2022, at 7:53 am, Brad & Coby Smith <bradncobysmith@bigpond.com> wrote:

Good Morning Tory,

Thank you for passing on the revised estimation from Salvin architects.

We understand the cost in the industry have risen and as per the public meetings held with the shire earlier in the year we expected the increase.

The sports council would still like to have Salvin architects draw up the revised plans as per our emails in early May to have costed. Please see attached a very rough plan drafted by the committee aswell as notes below .

Current drawing is 334m² of the building

New building to be 350 to 380m²

Needed to fit in the building

1. UAT - in central are, how do we stop this being used by everyone instead of going to the rear of the building??

2. Home change room 1 (needs to be bigger than home 2) on football oval end.

To include;

Trainers room

Toilets & showers

3. Home change room 2

To include;

Toilets & showers

4. Womens changeroom, to be added on hockey / netball side .

To include;

Toilets & showers

5. Umpires room- as central as possible

6. gym 120m

7. Store into gym

8. Store outside access only. Proposed Netball court side if courts were to move in the future.

Sports council would appreciated some clear direction from Council on how much the shire can afford to fund this project. It has been has been in the planning stage for many years and the longer the delay the more the cost will rise.

Sports council is not an overly financial as we rely on our affiliated clubs to contribute to our finances. We are currently able to contribute \$50000 to the project and have written to our clubs asking for financial pledges for the project.

We are also seeking support from other sources . We hope to update the shire with a more accurate amount by the end of August.

We thank you Tory for all your efforts in trying to get this project going forward and we look forward In continuing to work with you to get this project done!

Subject: Hyden Rec Centre redevelopment

Good Afternoon Tory,

At our lastest building committee meeting it was discussed to move the orientation of the new building back towards the hockey oval.

Attached are some rough ideas but obviously the architect would be better qualified in this department.

We were also wondering if he could separately cost up the structure for 2 indoor netball courts of the north/west end of the building.

Notes for the architect are;

Current drawing is 334m2 of the building

New building to be 350 to 380m2

Needed to fit in the building

1. UAT - in central are, how do we stop this being used by everyone instead of going to the rear of the building??

2. Home change room 1 (needs to be bigger than home 2) on football oval end.

To include;

Trainers room

Toilets & showers

3. Home change room 2

To include;

Toilets & showers

4. Womens changeroom, to be added on hockey / netball side .

To include;

Toilets & showers

5. Umpires room- as central as possible

6. gym 120m

7. Store into gym

8. Store outside access only. Netball court side.

Emails Relating to Indoor Netball Courts in Hyden May 2022

Tue 24/05/2022 5:08 PM

FW: Kojonup Indoor Netball Courts

Hi David, Vince and Mark,

FYI – this is the kind of project that Hyden Sports Council are thinking for ‘indoor courts’.

Coby Smith from the Sports Council and I spoke to the Shire of Kojonup today and they have provided the following information below and photos,

Project was \$1.9 million. No wet areas (just sink and water foundation), storage only and a change room but no showers or toilets, 3 metres open from ground level big shed (3,300 sq m) that they built first, then netball courts to spec. 1/3 funding from CSRFF which was only for the construction of the courts, they wouldn't fund the shelter. Rest of money was from LCRI, their drought money and Shire own money. Standalone building. Open all the time as has the 3m around the edge of the shed.

Shared surface for tennis, Basketball and Netball, but Netball main focus.

Nice big shed for some big tanks with run off from the shed to maybe help water the oval!

Anyway this is just to keep you in the loop of discussions,

Thanks

Tory

Subject: RE: Kojonup Indoor Netball Courts

Hi Tory,

Thank you for your patience in finding time to discuss this project – things are still on the hectic side!

I've included photos, design details and the specifications for both the courts and the roof structure in the Dropbox Link below for you. The Kojonup Sports Alliance took some more great photos last weekend of the first event held in the new space and put on their Facebook page so that might be worth checking out.

<https://www.dropbox.com/scl/fo/rg21rwxmevq41hoqni1id/h?dl=0&rlkey=Op2zn12g789ie2sa1hpzqx d7c>

If there's anything else I can assist with please let me know. As I said on the phone it has been a very long process, trying to do our best to please the majority of people. We still have a ways to go to completion, and once that is done we will be holding official openings etc.

Kind regards

Emily Sleight

Subject: Kojonup Indoor Netball Courts

Hi Emily,

I have tried to call you a couple of times to have a chat about the Shire of Kojonup's indoor netball courts and was recommended to send you an email instead.

If you could please answer the following questions that would be great:

1. What was the scope of the works. New surface? Just a shelter over the courts? Does it also include toilets / change rooms? How many courts?
2. What was the cost and how was it funded? CSRFF fund? Shire? Local Sporting Groups?
3. What was the main driver to have indoor courts?
4. Is it connected to your recreation centre or a separate standalone building?
5. Do you have a site plan of where the indoor courts are in relation to other facilities / playing fields in your sporting precinct?

If you can send me back some feedback and a couple of photos, or even minutes from a Council Meeting about the project that would be greatly appreciated,

Thank you

Kind Regards

Tory

Sport and Recreation Facilities Plan

2021 - 2031

Contents

1. Purpose of the Plan.....	3
2. Plan Development.....	3
3. Current Situation	3
4. Future Planning, Ideas and Issues.....	7
5. Sport and Recreation Funding	11
6. Appendices	13

Authors	Caroline Robinson (150Square) Tory Young (Shire of Kondinin, Manager of Assets)
Council Adopted	16 June 2021
Reviewed	Council Amended 16 March 2022

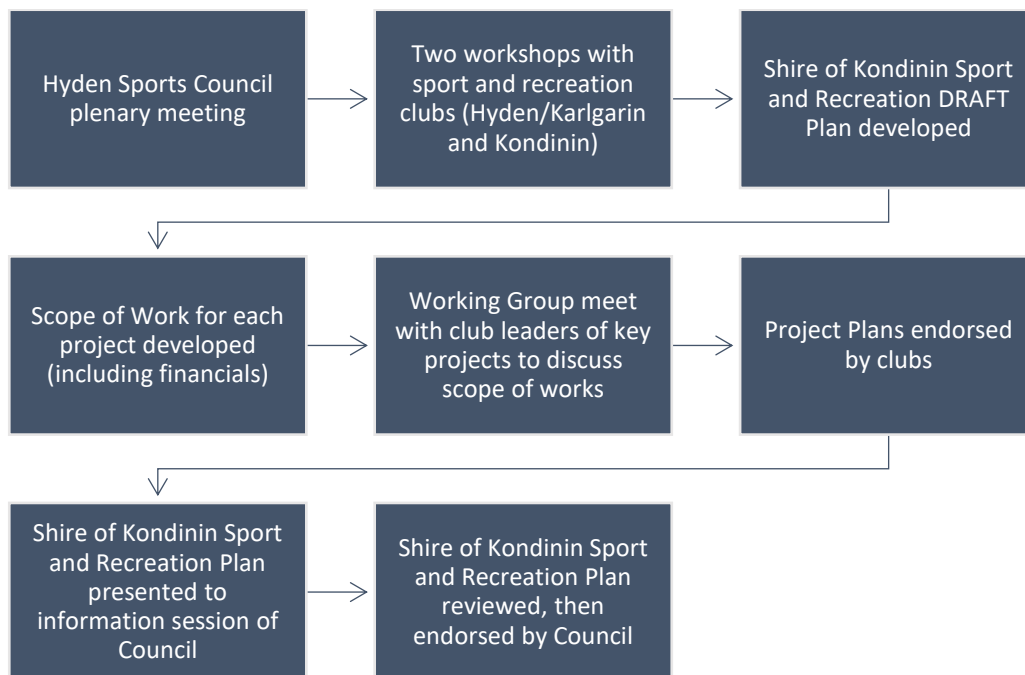

1. Purpose of the Plan

The Shire of Kondinin Sport and Recreation Facilities Plan has been developed to provide a clear vision of the direction in which Council, in partnership with local sport and recreation clubs would like to proceed with sport and recreation facilities over the next 10yrs and beyond. The purpose of the plan is to:

- **Identify the sport and recreation facilities** throughout the Shire of Kondinin
- **Highlight the needs of sporting groups** and what facility improvements are most-needed from their perspective with consideration of the future
- **Improve opportunities to participate** in active recreation and sporting activities within the Shire and
- To **establish a framework of investment** to address the key priorities for sustainable sport and recreation facilities across the Shire of Kondinin

2. Plan Development

The following stages were taken in developing this plan.

Members of the Working Group included Cr Mouritz, Cr Gangell, Cr Pool and Manager of Assets Tory Young.

3. Current Situation

The communities across the Shire of Kondinin have a strong sporting culture, history and connection with the wider community with successful clubs and teams across the district. Although the majority of sport and recreation infrastructure across the district is owned by the Shire of Kondinin there is a great sense of ownership and pride felt by the clubs that operate from these facilities towards their grounds and they actively contribute towards new or renovated facilities to improve their playing surfaces or clubrooms.

Current Sport and Recreation Facilities Across the Shire

Kondinin

- Kondinin Country Club – recently (2018-19) renovated to include new change rooms an enlarged kitchen and function area.
- Kondinin Bowling Rink
- Kondinin Hockey Field – not currently fit for use
- Kondinin Pavilion and Football / Cricket Oval
- Kondinin Netball Courts
- Kondinin Tennis Courts (4)
- Kondinin Aquatic Centre & Bill Smoker Room – built in 2014 with new amenities opened in 2015. Open from November to April. Includes a 25-metre lap pool, beach entry to toddlers and learn to swim area, spa area, kiosk and BBQ area. There is also a function centre available for hire all year round.
- Kondinin Golf Course – 18 holes and clubroom

Karlgarin

- Karlgarin Pavilion – Oval and clubroom catering for cricket.
- Karlgarin Bowling Club – Club room and bowling green

Hyden

- Hyden Recreation Centre
- Hyden Netball Courts (3)
- Hyden Cricket / Football Oval
- Hyden Hockey Grass Field
- Hyden Tennis Club – 8 courts and club room
- Hyden Golf Course – 18-hole course based around Wave Rock.
- Hyden Swimming Pool – a major upgrade was undertaken in 2008. Open from November to April. Features a main pool, toddlers and babies pool, diving pool with 1 and 3 metre high springboards. Also includes a volleyball court, cricket and basketball area, kiosk and large grassed area.

Sport and recreation clubs across the Shire have a unique set of circumstances which influence this plan:

- Multiple sport and recreation facilities across three townships e.g. two swimming pools, three ovals, two recreation centres, two bowling greens, etc.
- Across Shire sporting clubs e.g. KK Vipers Hockey Club
- Across township clubs e.g. Karlgarin Hyden Hockey Club
- Two active sports councils in the townships of Hyden and Kondinin which assist in sports leadership, planning and facility development

Payments and fees across the Shire vary and arrangements are in place with the two Sporting Councils regarding usage fees as well as any clubs not affiliated with these two organisations.

Sport and Recreation Clubs in the Shire of Kondinin

The districts sporting clubs can be broken into three tiers with small, medium and large membership bases.

Small Clubs <30 members	Kondinin Tennis Club Kondinin Kulin Cricket Club Karlgarin Bowling Club
-----------------------------------	---

	Hyden Croquet Club Karlgin Hyden Pingaring Cricket Club Kondinin Swimming Club Kondinin Netball Club
Medium Clubs 30-50 members	Kondinin Bowling Club Kondinin Golf Club Karlgin Hyden Hockey Club Hyden Golf Club Hyden Netball Club
Large Clubs 50-100 Members	Kulin Kondinin Football Club KK Vipers Hockey Club Hyden Tennis Club Hyden Karlgin Football Club

Shire of Kondinin Sport and Recreation Main Events

Croquet	Infancy stage
Kondinin Kulin Cricket Club	Weekly training and weekend games in season, rotated in the association
Karlgin Hyden Pingaring Cricket Club	Weekly training and weekend games in season, rotated in the association
Hyden Golf Club	Open days, weekend competitions
Kondinin Golf Club	Open days, weekend competitions
Hyden Tennis Club	Weekend competitions, social tennis, pennants, open days, junior coaching, hosting finals for tennis

Hyden Netball Club	Weekday trainings and weekend competitions in the association, hosting finals, regional competitions, youth competitions, social netball
Karlgin Hyden Hockey Club	Weekday trainings and weekend competitions in the association, social hockey, regional competitions, hosting finals, youth competitions
KK Vipers Hockey Club	Weekday trainings and weekend competitions in the association, social hockey, regional competitions, hosting finals, youth competitions

Statistical Profile of the Shire of Kondinin

- Population: 873 (ABS Census 2016)
- Total Shire population down by 86 people (-9%) from 950 (2001) to 864 (2016)
- Electors: 568 (Your Everyday Council Statistics 2019/20)
- Population growth rate of -10.3% over the period 2006 to 2016 (968 persons at the time of the 2006 Census down to 873 in 2016)
- Median age: 43 years (ABS, Census 2016)
- The median aged has increased by almost a decade, up from a median age of 34 in 2006
- Population of Aboriginal and/or Torres Strait Islander people: 57 (ABS, Census 2016)
- The Aboriginal proportion of the population has decreased in the Shire from 8.6% in 2006 to 6.6% in 2016 (ABS, Census 2016)
- Median weekly income has increased from \$452 in 2006 to \$763 in 2016 (ABS, Census 2016)
- Median weekly family income has increased from \$1,081 in 2006 to \$1,570 in 2016 (ABS Census 2016)

Community Profile of the Shire of Kondinin

(INSIGHT Regional Australia Institute – data compiled using a number of state and federal data sets between 2010 - 2016)

- High rate of volunteerism (42.6% of persons aged 15 and over participate in voluntary work) but with a declining population there is a high risk of volunteer fatigue with fewer people available to contribute.
- Access to allied health services and distance to medical facilities are ranked poorly, with an average distance of 49.5km for resident to travel to access a medical facility.
- Poor access to telecommunications infrastructure and services (only 73% of households with internet connections, limited broadband coverage)
- High business turnover per capita (\$267,743)
- High population turnover (34.7%) and population decline (growth rate of -4.14%)
- High rate of workforce participation (63.3%) and low unemployment (2.5%)

Participation Across the Shire of Kondinin

It is difficult to determine the Shire's participation rate in non-structured sport and recreation activities such as dancing, cycling, running, use of skate parks or other activities where clubs aren't involved.

On average sporting club participation remains stable but with the increasing pressure of volunteer burn out in delivering these sports. Hockey, netball and tennis have more female participants than male.

Although clubs are open to having members of varied abilities, sporting club participation across non-able bodied participants is low – this could be linked to a number of factors.

A massive voluntary effort to run the sport and recreation clubs across the Shire is evident. Additionally many of the same people are on multiple sport and community group executives.

4. Future Planning, Ideas and Issues

Over the last five years \$9m has been spent across the district on sport, recreation and cultural infrastructure. The annual maintenance and operating costs associated with sport and recreation infrastructure is approximately \$1.8m each year, with the three town ovals, recreation centres and swimming pools being the main cost areas. Annual income from sports clubs for the facilities is proportionately low – circa \$25K. Annual depreciation is circa \$750K.

Historically the Shire has relied on valuable contributions from the State and Federal Governments as well as the sporting clubs to maintain and enhance sport and recreation infrastructure. Usually on 1/3rd contribution basis from each party.

Whilst all clubs can point to areas of improvements in their facilities, most of the sport and recreation facilities seem to be of a moderate to good standard.

To assist in the forward planning of sport and recreation infrastructure and priorities across the district, the Shire of Kondinin held two workshops to receive feedback on sport and recreation facilities (16 and 18 February 2021). Over 55 attendees came. The level of engagement was extremely positive, and it was clear to see how much sport and recreation meant across the district.

When discussing the meaning of sport and recreation to the district many positive references were made with a resonating comment being made that sport and recreation is the ***plays a central role in community health, wellbeing and social cohesion.***

The main themes mentioned at the workshops included:

- Social fabric across the three communities
- Togetherness and a sense of community
- Mental and physical health and wellbeing
- Pride and achievement

Barriers to Participation

Attendees analysed the main barriers to participation across the district and any specific groups that were missing out. Attendees also identified a number of ideas to help alleviate barriers and improve participation. The main themes were:

- Financial factors – membership fees, other costs of participation e.g. equipment
- Limited population growth – lack of people and limited accommodation for new people across the communities
- Associations – fixturing conflicts across sports and during peak agricultural seasons
- Distance – regional competition means lots of traveling to games which may be hard for some with other commitments
- Advertising/Awareness – apprehensive about breaking into new groups, no knowledge or awareness of options

Attendees identified some ideas moving forward to break down barriers:

- More children
- Review membership regularly to make sure its affordable
- Lowering fees/subs to encourage access
- Childminding services so parents can play

- Association re-align to follow each other
- Engagement with schools
- More drive for juniors
- Promotion of participation within clubs
- Improve facilities
- Focus on junior development, coaching clinics
- Open days and invitations to surrounding clubs
- Share the load to help volunteers

Facility Planning

Since the initial workshops, the Shire of Kondinin and sports clubs have developed the following list of short term (1-2yrs), medium term (3-5yrs) and long term (5yrs plus) significant facility projects.

Priority	New or Existing Facility	Facility Recommendation	Action	Who
Short term	E	Hyden Sports Facilities Precinct Plan	Masterplan of sports surfaces and facilities in the Hyden town site Cost benefit for netball court resurface v relocation Cost benefit for hockey surface / Cost benefit for multipurpose tennis and hockey surface Changeroom design Gym design Bar access Rationalisation Staged process	Shire of Kondinin Hyden Sports Council
Short term	E	Kondinin Water Storage	Plan for improved water capture, storage and use on Kondinin playing surfaces	Shire of Kondinin Water Corporation Kondinin Community Recreation Council Kondinin Kulin Football Club KK Vipers Hockey Club
Short term	E	Kondinin Pavilion Plan	Design for improvements at the pavilion	Shire of Kondinin Kondinin Community Recreation Council
Short term	E	Kondinin Bowls resurface	Bowls resurface	Shire of Kondinin Kondinin Bowls Kondinin Community Recreation Council
Short term	E	Hyden Oval Reticulation	Oval reticulation	Shire of Kondinin
Short term	E	Hyden Golf Club ceiling	Replacement of ceiling	Shire of Kondinin Hyden Golf Club
Short term	E	Hyden Recreation Centre (building)	Designs	Shire of Kondinin Hyden Sports Council

Short term	E	Hyden Tennis Club roof	Replacement of roof	Shire of Kondinin Hyden Tennis Club
Short term	E	Hyden Pool Change rooms	Upgrades and improvements to the Hyden Pool Change rooms	Shire of Kondinin
Short term	E	Kondinin Hockey Field	Grass field	Shire of Kondinin Kondinin Community Recreation Council KK Vipers Hockey Club
Short Term	E	Hyden tennis resurface	8 x tennis court resurface and Hotshots Court	Shire of Kondinin Hyden Tennis Club
Medium term	E	Hyden Recreation Centre (pavilion, change rooms and gym)	Building Upgrades	Shire of Kondinin Hyden Karlgarin Football Club Hyden Karlgarin Hockey Club Hyden Sports Council Hyden Karlgarin Pingaring Cricket Club Shire of Kondinin
Medium term	N	Karlgarin Bowls Clubroom	Clubroom	Karlgarin Bowling Club
Medium term	E	Hyden netball courts	Resurface / Colocation	Shire of Kondinin Hyden Netball Club Hyden Sports Council
Medium term	E	Kondinin Pavilion improvements	Pavilion improvements	Shire of Kondinin Kondinin Community Recreation Council
Medium term	E	Hyden Golf Club	Toilet and carpet upgrades	Shire of Kondinin Hyden Golf Club
Long term	E	Hyden Pool lighting	Lighting installation	Shire of Kondinin
Long term	N	Kondinin Skatepark design	Design for an improved stakepark	Shire of Kondinin
Long term	N	Kondinin Skatepark improvements	Skatepark plan implemented	Shire of Kondinin
Long term	E	Kondinin Pool lighting	Install lighting	Shire of Kondinin
Long term	E	Kondinin tennis court resurface	Resurface	Shire of Kondinin Kondinin Tennis Club
Long term	E	Kondinin Golf Club	Minor to the building and storage	Shire of Kondinin Kondinin Golf Club
Long term	E	Hyden Pool	Maintenance on Hyden pool bowl	Shire of Kondinin

Projects that could occur alongside this facilities plan, without a timeframe due to their small asset nature and ability to fund easily.

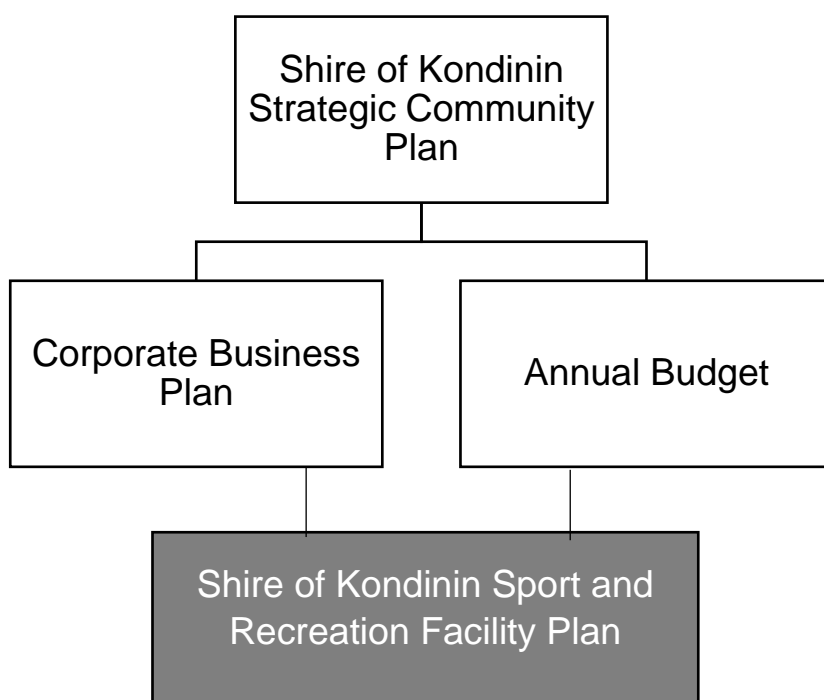

Project	Action	Who
Cricket nets	Landscaping around Hyden cricket nets	Shire of Kondinin
Hyden Oval	Extension of oval – between playing surface and spectator area	Shire of Kondinin
Cricket cover pitches	For both cricket clubs	Shire of Kondinin Hyden Karlgarin Pingaring Cricket Club Kulin Kondinin Cricket Club
Bumper boards	For both tennis clubs	Shire of Kondinin Kondinin Tennis Club Hyden Tennis Club
Karlgarin Oval Fence	Replacement and maintenance	Shire of Kondinin Hyden Karlgarin Pingaring Club Club

Relationship to Shire Plans

Asset Management Plan: There has been no allocation in the asset management plan for the receipt of sport and recreation grants to improve facilities.

Identification of sport and recreation facility maintenance and upgrades in the asset management plan:

Kondinin sports pavilion roof	\$35,000	2020/21 – 2025/26	Will now be included in whole of Pavilion upgrades
Swimming Pool Building renewal	\$400,000	2022/23	Scaled back and brought forward due to drought funding eligibility
Hyden Recreation Centre	\$65,000	2020/21	Planning stage
Kondinin Bowling Green resurface and Kondinin oval reticulation	\$271,358	2018/19 – 2020/21	Kondinin oval reticulation completed Kondinin bowling green resurface in progress
Sports Courts reseal	\$123,209	2018/19 – 2022/23	Allocation towards any reseal
Hyden Tennis Club	\$30000	2020/21	Planning stage
Karlgarin Oval Fence	\$25000	2019/20 – 2020/21	Completed 2020

5. Sport and Recreation Funding

The following are possible sources for the implementation of this plan.

Community Sporting and Recreation Facilities Fund (DLGSC)

The Western Australian Government commits to funding sport and recreation through the Community Sporting and Recreation Facilities Fund (CSRFF). The purpose of the program is to provide financial assistance to community sport and local governments to develop basic infrastructure for sport and recreation. The program aims to maintain or increase participation in sport and recreation with an emphasis on physical activity, through rational development of good quality, well designed and well-utilised facilities. The maximum grant offered for standard grant applications is one third of the total estimated project cost (excluding GST) up to a maximum grant of \$2 million. Some applications will be eligible for up to one half of the project cost if they are eligible through the development bonus scheme and target specific criteria.

CSRFF can fund new or upgraded facilities which will maintain or increase physical activity or result in a more rational use of facilities. Priority will be given to projects that lead to facility sharing and rationalisation. The program is not designed to provide facilities to meet a club's ambitions to compete in a higher grade.

Clubrooms including social space, kitchen, administration areas and viewing areas will be considered low priority as they are not directly linked to physical activity. Resurfacing projects are unlikely to be funded through CSRFF and would only be funded at a 16.66% rate as it is expected that facility managers will budget for resurfacing of existing sport surfaces as part of the ongoing operation of infrastructure.

Building Better Regions Fund

The \$1.04 billion Building Better Regions Fund (BBRF) supports the Australian Government's commitment to create jobs, drive economic growth and build stronger regional communities into the future. The Infrastructure Projects Stream: Supports projects that involve construction of new infrastructure, or the upgrade or extension of existing infrastructure and the Community Investments Stream: Funds community development activities including, but not limited to, new or expanded local events, strategic regional plans, leadership and capability building activities.

6. Appendices

Key Definitions

Recreation (i.e. active recreation) activities are those involving physical exertion where the primary focus is individual or group participation and enjoyment over elements of competition where rules and patterns of behaviour govern the activity. Active recreation does not include 'active work' or 'active living'. For the purpose of this plan any reference to 'recreation' is defined as 'active recreation'.

Sport is a human physical activity involving physical exertion and skill as the primary focus of the activity, with elements of competition where rules and patterns of behaviour governing the activity exist formally through organisations and is generally recognised as a sport. Map of Shire of Kondinin Sport and Recreation Facilities

Facilities in the Shire of Kondinin

KONDININ

A. Kondinin Pavilion and Country Club (Community Recreation Centre) with Bowls, Oval, Hockey Field and Recreation Centre, Tennis and Netball Courts

B. Kondinin Aquatic Centre & Bill Smoker Room

C. Kondinin Golf Club – 18 holes and clubroom

KARLGARIN

H. Karlgarin Pavilion – Oval and clubroom catering for cricket.

I. Karlgarin Bowling Club – Club room and bowling green

HYDEN

D. Hyden Recreation Centre and playing fields – recreation centre, catering for football, cricket, hockey and netball

E. Hyden Tennis Club – 8 courts and club room

F. Hyden Golf Course – 18-hole course based around Wave Rock.

G. Hyden Swimming Pool

CSRFF

CSRFF aims to increase physical activity and participation in sport and active recreation in Western Australia. CSRFF has several priorities to achieve this goal.

Some of the priority considerations for CSRFF include:

- Projects that will directly lead to an increase in physical activity or participation.
- Projects that lead to facility sharing between clubs, or rationalization of existing facilities to increase sustainability.
- Projects to upgrade facilities to make them more accessible for female participants (e.g. changerooms with lockable showers and no urinals).
- Projects in a location with a significant Aboriginal population that will increase participation or physical activity.

The type of projects which will be considered for funding include:

- New playing surfaces — ovals, courts, synthetic surfaces etc.
- Floodlighting projects (must be to Australian Standards)
- Change rooms and ablutions
- Sports storage

The types of projects which are eligible for funding, but will be considered a lower priority for funding are:

- Clubrooms including social space, kitchens, training rooms and administration areas (due to their minimal impact on physical activity).
- Shade shelters, viewing areas and verandahs (due to their minimal impact on physical activity).
- Resurfacing of existing sports surfaces such as courts and bowling greens. It is expected that facility managers will budget for these items as part of the ongoing operation of the facility, frequently over 7 to 10 years. If supported the project will likely attract a reduced funding percentage

Any project that does not achieve the aim of the fund to increase physical activity or participation in sport and active recreation will not be considered. Other funding bodies such as Lotterywest may provide funding for these facilities (e.g. arts, music, craft and passive recreation such as cards or men sheds)

Some other projects that are ineligible for funding through CSRFF include:

- Projects that have commenced or will commence before approvals are announced.
- Development of privately-owned facilities or commercial spaces.
- Arts, music and craft facilities.
- Maintenance or operating costs of existing facilities.
- Purchase of land, landscaping, car parks, access roads and other infrastructure costs.

- Playgrounds.
- Bikeways or pathways.
- Non land-based facilities, e.g. boat launching ramps, ocean pools and marinas.
- Non-fixed equipment or fixed sports specific equipment (for instance electronic targets, scoreboards).
- Facilities or fixtures for the express purpose of serving alcohol.
- Projects that do not meet Australian Standards and National Construction Code

PROJECT PLANS

PROJECT: Hyden Sports Surface and Facilities Precinct Plan

1. Project Description: Forward plan all playing surfaces and facilities in the Hyden Recreation Centre Precinct

2. Reasoning:

The Hyden Sports Council has been working closely with affiliated clubs to forward plan the Hyden sporting precinct over the last few years. There is a strong desire to see co-located surfaces and facilities as well as one day sport.

The Hyden netball courts are coming up for resurfacing (5-10yrs) and will continue to be resurfaced going into the future. Consideration towards relocation v resurfacing in the master plan

The Hyden tennis courts will be coming up for resurfacing (1-5yrs)

The hockey field requires watering and supply may be an issue in future years (drying climate)

The Karlgarin Hyden Hockey club would like toilets closer to their playing field as well as greater connection to the pavilion.

There are no women's change rooms at the Recreation Centre

There is a lack of storage for sports clubs.

A multipurpose tennis / hockey surface may be explored OR a netball / tennis hardcourt may be explored (colocation)

3. Scope of Works:

- Develop a surface and facility precinct plan

4. Club: Hyden Sports Council, Karlgarin Hyden Hockey Club, Hyden Netball Club, Hyden Karlgarin Football Club, Hyden Karlgarin Pingaring Cricket Club, Hyden Tennis Club

5. Budget: \$10K

6. Replacement Cost:

7. Commitment: Hyden Sports Council working with clubs on a precinct plan

8. Timeframe:

20/21	21/22	22/23	23/24	24/25	25/26
Plan					

9. Project Assessment:

Using *Standards Australia Guide - Project Prioritisation Process and Criteria* as a guide.

Stage of the Process	Criteria	Detail	Comment
Proposal Evaluation	Net Benefit	Public health and safety	
		Social and community	Human capital uplift Social inclusion Disaster response / community meeting place
		Environmental	Green space benefit
		Economic	Increased economic activity
	Participant Assessment	Current	
		Future	
		Multiuse	Co-location Retention and increase in membership
	Assessment Measures	Strategic Alignment to State Government	
		Strategic Alignment to Shire of Kondinin	1.3.3 Provide a variety of quality sport, recreation and leisure services and facilities for all life stages across the three communities
		Significance	Local
Costing	Resource Requirements	\$10K – planning fees	
	Complexity	Medium	
	Risks	Collaboration amongst clubs	
	Funding sources	Internal	

PROJECT: Kondinin Water Access and Storage

1. Project Description: Reliable water supply to the Kondinin Oval and Hockey Field

2. Reasoning:

Lack of water affects the grass and quality of the playing surfaces.

This asset has had significant investment by the Shire in previous years

Engagement with Water Corp to access water to Yerrakine Dam and then into town

3. Scope of Works:

- Resolve water supply issues with Water Corporation
- Install water storage

4. Club: Kondinin Community Recreation Council, KK Football Club, KK Vipers Hockey Club

5. Budget: \$50K

6. Replacement Cost:

7. Commitment: The Shire of Kondinin will work with the Water Corp to resolve water access issues

8. Timeframe:

20/21	21/22	22/23	23/24	24/25	25/26
Plan / Agreement	Storage				

9. Project Assessment:

Using *Standards Australia Guide - Project Prioritisation Process and Criteria* as a guide.

Facility category:

Stage of the Process	Criteria	Detail	Comment
Proposal Evaluation	Net Benefit	Public health and safety	Personal health benefits A reduced risk of accidents
		Social and community	Disaster response / community meeting place
		Environmental	Green space benefit
		Economic	Increased visitation
	Participant Assessment	Current	Retention of members Home games
		Future	
Multiuse			

	Assessment Measures	Strategic Alignment to State Government	
		Strategic Alignment to Shire of Kondinin	1.3.3 Provide a variety of quality sport, recreation and leisure services and facilities for all life stages across the three communities
		Significance	Local
Costing	Resource Requirements	\$50K	
	Complexity	Medium	
	Risks	Access to the dam Water Corp agreement	
	Funding sources	Internal	

PROJECT: Kondinin Hockey Field

1. Project Description: Grass Field

2. Reasoning:

Water access and storage should be determined and secured before the grass is replanted on the current field

Grass field will enable home games for the hockey club (currently share with football club)

3. Scope of Works:

- Resolve water supply issues with Water Corporation
- Levelling field and planting grass, reticulation

4. Club: Kondinin Community Recreation Council, KK Vipers Hockey Club

5. Budget: \$135K

6. Replacement Cost:

7. Commitment: The Shire of Kondinin will work with the Water Corp to resolve water access issues, KCRC and KK Vipers \$45K

8. Timeframe:

20/21	21/22	22/23	23/24	24/25	25/26
Grants	Construct				

9. Project Assessment:

Using *Standards Australia Guide - Project Prioritisation Process and Criteria* as a guide.

Stage of the Process	Criteria	Detail	Comment
Proposal Evaluation	Net Benefit	Public health and safety	Personal health benefits
		Social and community	Social inclusion Disaster response / community meeting place Community pride Positive role modelling
		Environmental	Green space benefit
		Economic	
	Participant Assessment	Current	Retention of members
		Future	
		Multiuse	
Assessment Measures	Strategic Alignment to State Government		

		Strategic Alignment to Shire of Kondinin	1.3.3 Provide a variety of quality sport, recreation and leisure services and facilities for all life stages across the three communities
		Significance	Local
Costing	Resource Requirements	\$135K	
	Complexity	Low	
	Risks	Access to the dam Water Corp agreement	
	Funding sources	Internal KCRC Club CSRFF	

PROJECT: Kondinin Pavilion

1. Project Description: Improve the Kondinin Pavilion change rooms and minor upgrades

2. Reasoning:

Pavilion used for Winter and Summer sports. Pavilion is ageing.

3. Scope of Works:

- Design additions and modifications – improved disabled access and access throughout the building, water capture and storage, women’s change rooms, larger gathering area, umpire room and shower, new roof and modernisation of kitchen

4. Club: Kondinin Community Recreation Council, Kulin Kondinin KK Vipers Hockey Club, Kondinin Kulin Cricket Club; Kondinin Kulin Football Club.

5. Budget: \$750,000

6. Replacement Cost:

7. Commitment: KCRC \$350,000

8. Timeframe:

20/21	21/22	22/23	23/24	24/25	25/26
	Plan	Design and grants		Construct	

9. Project Assessment:

Using *Standards Australia Guide - Project Prioritisation Process and Criteria* as a guide.

Stage of the Process	Criteria	Detail	Comment
Proposal Evaluation	Net Benefit	Public health and safety

		Future	
		Multiuse	
Assessment Measures	Strategic Alignment to State Government		

		Strategic Alignment to Shire of Kondinin	1.3.3 Provide a variety of quality sport, recreation and leisure services and facilities for all life stages across the three communities
		Significance	Local
		Alignment to SSA	
Costing	Resource Requirements	\$750K	
	Complexity	Low	
	Risks		
	Funding sources	Internal KCRC CSRFF	

PROJECT: Kondinin Bowling Greens

1. **Project Description:** Replace the Kondinin Bowls surface

2. **Reasoning:** End of life cycle

3. **Scope of Works:**

- New bowling rink surface

4. **Club:** Kondinin Bowling Club, Kondinin Community Recreation Council

5. **Budget:** \$140K

6. **Replacement Cost:**

7. **Commitment:** Kondinin Bowls Club \$60K

8. **Timeframe:**

20/21	21/22	22/23	23/24	24/25	25/26
Grants	Construct				

10. **Project Assessment:**

Using *Standards Australia Guide - Project Prioritisation Process and Criteria* as a guide.

Stage of the Process	Criteria	Detail	Comment
Proposal Evaluation	Net Benefit	Public health and safety	Personal health benefits

	Risks	
	Funding sources	Internal Club CSRFF

PROJECT: Hyden Oval Reticulation

1. Project Description: Reticulation for the Hyden Oval

2. Reasoning: Preservation of the asset so that it can be used for Winter and Summer sports

3. Scope of Works:

- Installation of reticulation at the Hyden Oval

4. Club: Shire owned facility

5. Budget: \$100K

6. Replacement Cost:

7. Commitment: Shire owned facility and ongoing maintenance

8. Timeframe:

20/21	21/22	22/23	23/24	24/25	25/26
Construct					

9. Project Assessment:

Using *Standards Australia Guide - Project Prioritisation Process and Criteria* as a guide.

	Alignment to SSA	
Costing	Resource Requirements	\$100k
	Complexity	Low
	Risks	
	Funding sources	Internal

PROJECT: Golf Clubs

1. Project Description: Minor improvements to the Hyden golf clubhouse and at the Kondinin golf club

2. Reasoning:

Hyden Golf clubroom ceiling needs replacement as it may be dangerous in years to come

Solar panels on the Kondinin Golf Shed for buggy charge station, extra storage space

3. Scope of Works:

- Hyden Golf Club ceiling replacement
- Kondinin shed construction and solar panels

4. Club: Kondinin Golf Club, Hyden Golf Club, Kondinin Community Recreation Committee, Hyden Sports Council

5. Alignment to Kondinin Sport and Recreation Plan:

6. Budget: \$60K

7. Replacement Cost:

8. Commitment: Golf Clubs \$5K each

9. Timeframe:

20/21	21/22	22/23	23/24	24/25	25/26
		Hyden			Kondinin

10. Project Assessment:

Using *Standards Australia Guide - Project Prioritisation Process and Criteria* as a guide.

		Significance	Local
		Alignment to SSA	
Costing	Resource Requirements	\$60K	
	Complexity	Low	
	Risks		
	Funding sources	Internal Clubs	

PROJECT: Hyden Recreation Centre

1. Project Description: Upgrade the Hyden Recreation Centre in line with the precinct plan

2. Reasoning:

Hyden Recreation Centre serves the Winter sports of football and hockey and the Summer sport of cricket. Going forward the netball club may use the Recreation Centre if they co-locate.

The Recreation Centre upgrades will include an expansion and upgrade of change rooms for home and away teams, so too women as these are currently inadequate.

Inclusion of an improved gym space with access outside of hours.

3. Scope of Works:

- Womens and away team change rooms
- Gym construction
- Storage space
- Improved spectator viewing and meeting space
- Co-location and use of kitchens, canteen access etc

4. Club: Karlgarin Hyden Hockey Club, Hyden Netball Club, Hyden Tennis Club, Hyden Karlgarin Football Club, Hyden Karlgarin Pingaring Cricket Club, Hyden Sports Council

5. Budget: \$100K design and \$2m construction

6. Replacement Cost:

7. Commitment: Hyden Sports Council \$350K

8. Timeframe:

20/21	21/22	22/23	23/24	24/25	25/26

PROJECT: Karlgarin Bowls Club

1. Project Description: Upgrade the Karlgarin Bowls Clubroom

2. Reasoning: Currently the clubroom has asbestos and is split (storage / walkway / kitchen space). No requirement for toilets as there are public toilets within walking distance

3. Scope of Works:

- Storage space
- Social area
- Kitchenette

4. Club: Karlgarin Bowling Club

5. Budget: \$250K

6. Replacement Cost:

7. Commitment: Karlgarin Bowls Club \$60K

8. Timeframe:

20/21	21/22	22/23	23/24	24/25	25/26

PROJECT: Pool Lighting

1. Project Description: Upgrade both swimming pools lighting infrastructure to LED lights

2. Reasoning: Enables extended swimming hours

3. Scope of Works:

- Hyden Swimming Pool lights
- Kondinin Aquatic Centre lights

4. Club: Kondinin Community Recreation Committee, Hyden Sports Council, Kondinin Swimming Club, Hyden Swimming Club

5. Budget: \$150,000

6. Replacement Cost:

7. Commitment: Shire owned facility and ongoing maintenance of facility

PROJECT: Hyden Tennis Court Resurface

1. Project Description: Resurface all eight tennis courts

2. Reasoning: Line markings are raising up, wearing in some areas, splitting at seams, all eight courts are ageing and unable to be patched up

3. Scope of Works:

- Replace front four tennis courts – synthetic surface

4. Club: Hyden Tennis Club

5. Budget: \$300K

6. Replacement Cost:

7. Commitment: Hyden Tennis Club \$120K

8. Timeframe:

20/21	21/22	22/23	23/24	24/25	25/26
