GENERAL

We have flu vaccinations in stock for the over-65 age group, flu vaccinations for those that meet the eligibility criteria as well as pneumonia & zoster vaccinations.

On the 7th of May in conjunction with Michelle Hooper, a Pharmacist from Corrigin conducted a very successful Covid & Flu vaccination clinic with over 40 clients in Kulin & 63 clients from Kondinin taking the opportunity to have their free vaccinations.

We have successfully implemented multi-billing, that is to bill any patients that do not hold a current concession card or any child under 16. It has been met with its difficulties as patients have become accustomed to being bulk billed however with staff explaining that it is to help cover overheads most patients are accepting of the new fees.

Our Tyro machine allows for immediate payment of the Medicare rebate to be directed back into the patient's nominated bank account. Payment can be made using a credit card however the refund is only able to be paid into a cheque or savings account.

I have booked annual leave for the month of August.

On-the-job training has commenced for Kerry Winmar-Taylor, Kerry will be covering for Kodee Sario's maternity leave. Kerry will also cover Fridays that I am unable to work.

Dr Mackie has advised that he will be taking time off from 4th June until 18th June inclusive. During Dr Mackie's time off we will have a women's health clinic with Dr Job on the 7th of June.
