2. Authorise the Chief Executive Officer to give public notice of the availability of the annual report from 3rd January 2023 in accordance with section 5.55 of the Local Government Act 1995;
3. Conduct the Annual Electors Meeting on Wednesday, 15th February 2023 by giving at least 14 days local public notice prior to the meeting.

SUMMARY

To present to Council the Audited Annual Financial Report, Independent Audit Report and Audit Management Letter 2022.

BACKGROUND

The Local Government Act requires that Council accepts the annual report for the financial year no later than 31 December 2022 or no later than two months after the auditor's report becomes available if it is not received prior to 31 December.

The audited 2021/22 Annual Financial Report was signed off by the CEO on the 14th December 2022. The audit Committee met with the auditors on the same day for the Annual Audit Exit Meeting wherein the outcomes of the audit were discussed.

COMMENT

The Audit Report prompts the conducting of an Annual Meeting of Electors where the Audit Report (amongst other reports) will be presented to electors within 56 days after acceptance of the annual report. As no Council meeting held in January it is proposed that

this meeting will be scheduled after the 8th February 2022 Council meeting to comply with *Section 5.27 of the Local Government Act 1995.*

6.2 CRISP WIRELESS - USE OF DEPOT

Applicant: CRISP Wireless
Author: Chief Executive Officer – David Burton
Authorising Officer: Chief Executive Officer – David Burton
Date: 19th December 2022
Disclosure of Interest:
Attachments: Agreement for Communications Tower.

OFFICER RECOMMENDATION

That Council approves Crisp Wireless access to the Shire yard and Police Transmission site in Hyden, to install and broadcast internet services providing the use of the facility is permitted by the WA Police Force.

Summary

Crisp Wireless has requested the use of the communications tower in the Hyden Shire Depot to broadcast the wireless internet signals for the area as part of the rollout of their program.

Background

This tower is currently owned by the Police Department as a communication tower, but subject to a lease arrangement with the Shire for a 10-year lease. The Agreement does allow the tower to be used by the government and other agencies, providing that the Shire has approved of the use as well. This is in clause 6.3 of the Licence Agreement.

Comment

The Shire has been supportive of Crisp Wireless and the expansion of the wireless internet service through the region since it was resolved at the Ordinary Meeting of Council in April 2021 that:

*That Council include the provision of \$30,000 in the 2021/2022 Budget for connection to Wireless Internet Services for the Shire; and
The Chief Executive Officer write to Crisp Wireless advising of the 'in principal' support.*

As the use of this town is part of the rollout of the program, it would be in fitting with the previous resolution that the Shire supports the application by Crisp Wireless to the WA Police Department requesting permission to use the tower in Hyden
