Community News

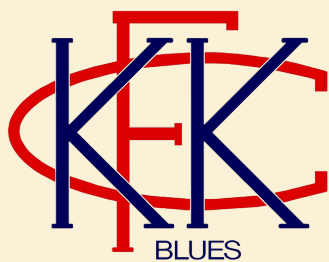

Wear Orange Wednesday (WOW day) was on the 22nd of May. It is a day where everyone wears orange to support and give a huge thanks to our SES volunteers.

SOCK week started on Friday the 21st of June. The Kondinin CRC have already created road messages on the Kondinin Primary School fence with the help of the students. There are many more events to come later in the week in both Hyden and Kondinin, so make sure you don't miss out on any!

Hyden Karlgarin Football Club celebrated 100 year Anniversary and HKFC 50 year Anniversary as a combined Team. Was a fantastic night that brought a lot of familiar faces back to town, well done community and Committee!

LOCAL ROADS AND COMMUNITY INFRASTRUCTURE PHASE 3 FUNDING

With the completion of the new concrete pathway from the Hyden Swimming Pool Car Park to the Youth Base ; the replacement shade sails at the Hyden and Kondinin Swimming Pools and the near completion of new fencing around the perimeter of the Hyden Tennis Courts and Hotshots Courts and new fencing on the southern boundary of the Hyden Hockey Field this phase of funding will be completed within the prescribed timeframe of the 30th June 2024. Other completed projects that were undertaken as part of this round of Federal Government funding to a total of \$1,086,468 included: replacement ceiling at the Hyden Golf Club, bin enclosures in the 3 town sites; upgrades to the Hyden Swimming Pool Change Rooms; Asphaltting of the Hyden Swimming Pool Car Park and CCTV cameras installed around some of the Shire's key public buildings and places.

HYDEN RAILWAY BARRACKS RELOCATION COMPLETED

Through funding from the Shire of Kondinin and contributions from the Hyden Progress Association, the Hyden Railway Barracks has been successfully relocated to its new position along Marshall Street, Hyden. A shout out to Kerrie Green and the Hyden Progress Association and to Roger Northey for all their work on this project. The building has certainly gained a new lease on life and provides another place of interest to complement the scrap art sculpture display area adjacent to the railway line.

WATER MANAGEMENT PROJECTS

Through funding from the Department of Water and Environmental Regulation the Shire have undertaken a number of improvements to its community water supplies recently including; a new 270KL holding tank and associated outlets at Karlgarin C site, repair works to King Rocks dam wall; new solar pump at Hyden CBH holding dam; new submersible pump and associated generator set at Hyden CBH overflow dam; new submersible pump and associated generator set and 270KL tank at Karlgarin Dam; catchment management surrounding the Karlgarin Dam; and a new 270KL tank and associated standpipe controller at the former oval at McCann's Rock. Please note that a swipe card is required to obtain water from this new community water supply.

KONDININ COMMUNITY GARDEN

The Kondinin Community Garden was established in 2015 by the Shire in close collaboration with a core group of local volunteers. Through assistance from volunteers, grant funding, donations and financial contributions from the Shire the space has continued to develop into an attractive and engaging public space well used by the community.

Sadly in recent times the garden is being badly mistreated with play equipment being damaged, fruit not yet ripened being picked and scattered over the garden, lights left on, rubbish left lying around and toilet paper and paper towels being stuffed into toilets.

This is a community space for everyone which the Shire does not wish to see locked up.

We ask that all patrons to the Community Garden respect the efforts of those that have worked so hard to create the space and made it what it is today.

As a guide coming into the school holidays it is asked that patrons consider the following when visiting the garden:

1. All rubbish to be placed in the bins provided
2. Venue not to be used after dark unless for a booked event
3. Fruit and vegetables to be picked sparingly and only if ripe
4. Parents are responsible for the safety and supervision of their children
5. Sink, bench and pizza oven to be used for real food preparation only, not play
6. Playing with sand to be kept to the nature play area
7. Toilets to be used primarily for booked events only

Thank you for your consideration in this matter

CHIEF EXECUTIVE OFFICER

Burning or Refuse

The Shire and Emergency Services have received several 000 calls recently by travellers reporting fire. These have been investigated and found to be only residents burning rubbish.

If you are going to set fire to waste, **please advise the Shire so that we are aware and can advise DFES of any prescribed burning** to reduce the numbers of incidents of staff and Emergency Services attending fires that are controlled.

Kondinin Community Garden

The Community Garden is a fantastic area for people to come and relax or celebrate various events in. Many thanks to the efforts of members of the community, this area continues to thrive.

Sadly, in recent times the garden is being badly mistreated with play equipment being damaged, fruit not yet ripened being picked and scattered over the garden, lights left on, rubbish left lying around and toilet paper and paper towels being stuffed into toilets.

We ask that all patrons to the Community Garden respect the efforts of those who have worked so hard to create the space and made it what it is today.
