

**SHIRE OF KONDININ**  
**LOCAL PLANNING POLICY NO.POL-TP-002**  
**PLANNING APPLICATION REQUIREMENTS FOR FEEDLOTS**

---

**1. Objective**

To ensure that all planning applications for the establishment of a new feedlot or an extension to an existing feedlot in the Shire of Kondinin is supported by documentary evidence demonstrating the issuance of all required environmental approvals by other government agencies prior to the application being considered by Council.

**2. Policy Statement**

The Kondinin Shire Council will not consider any application for planning approval proposing the establishment of a new feedlot or an extension to an existing feedlot without the applicant first providing documentation in support of the application demonstrating that the proposal has been approved by the Department of Agriculture and Food Western Australia and the Department of Environment and Conservation.

**3. Definitions**

“**Feedlot**” has the same meaning as that contained in “Schedule 1 – Dictionary of Defined Words and Expressions” of the Shire of Kondinin Town Planning Scheme No.1 (TPS No.1).

**4. Governance References**

Clause 9.2(d) of TPS No.1

**5. Policy Administration**

This policy has been prepared and adopted by the Kondinin Shire Council on the **15<sup>th</sup>** day of **July 2009** pursuant to Clause 2.4 of TPS No.1. Whilst the policy is not part of the Scheme and does not bind the Council in respect of any application for planning approval, the Council is to have due regard for the provisions of the policy and the objectives which the policy is designed to achieve before making its determination.
