Community News

Australia Day Celebrations were held at the Kondinin Aquatic Centre where there were a few pool competitions followed by a movie and sausage sizzle. Thank you to everyone who helped run the event.

There was an amazing turnout at the Kondinin IGA to celebrate Annette and Brad after their last day. It was great to see so many people there for the evening.

Earlier in the month the Kondinin Aquatic Centre had a solar panel fire. We would like to say a big thank you to everyone who helped in putting the fire out and the person who spotted the fire before it got too big.

In celebration of Australia Day, the Shire hosted its annual event, which included free pool access and a community sausage sizzle. The occasion attracted a large turnout, with many local families participating, and was graced with beautiful weather.

The Shire's yearly community grant program has provided local organizations with the opportunity to improve a variety of projects throughout the Shire. Most applications are approaching completion, leading to substantial benefits for the community and receiving positive feedback from residents. The 2025/2026 round will begin on March 25th, and a reminder to all applicants who haven't yet done so to complete their reporting from the previous grant round.
