Temporary and Moveable Accommodation

A new Council policy, "Temporary and Moveable Accommodation Policy" and associated guidelines were endorsed at the Council meeting held on the 25th June 2025.

The development of the new policy and guidelines comes in response to changes made by the State Government in 2024 to Regulation 11 of the Caravan Parks and Camping Grounds Regulations 1997.

The regulation changes mean that:

1. A person may now camp on land that they own or have legal right to occupy for up to 5 nights in any period of 28 consecutive days, and
2. A local government may now approve an application from a person to camp on land they own or have a legal right to occupy within that local government area for a period up to 24 months, subject to conditions pertaining to health, safety and amenity of the caravan or camp, and the land on which the caravan or camp is located.

What can be approved under the policy?

- Self-contained caravans, RV, bus, tiny home on wheels
- Campers and non-self-contained vans – subject to amenities
- Tents, roof top or similar – up to 30 days subject to amenities

What cannot be approved under the policy?

- Transportable dwellings such as dongas and modular accommodation - a building permit is required and planning approval maybe required for these types of development
- Sea containers, sheds and Class 10a structures - these structures are classed as out-buildings and are not deemed habitable by the Building Code, unless significant modifications are made which require a building permit.

The Application Form the Guidelines and Policy can be found on the Shire's website.

A fee of \$300 is to be made payable to the Shire of Kondinin on receipt your application.
