**STOP ILLEGAL CLEARING**

**CLEARING LAW IN WESTERN AUSTRALIA**
Both State and Commonwealth laws regulate clearing in Western Australia. The primary legislation is the *Environmental Protection Act 1986 (WA)* (EP Act) and *Environmental Protection (Clearing of Native Vegetation) Regulations 2004* (Clearing Regulations). However, clearing which impacts certain species will also trigger the *Environment Protection and Biodiversity Conservation Act 1999*.

**HOW CAN I APPLY FOR A PERMIT?**
There are two types of clearing permits. A Purpose Permit is appropriate for clearing pursuant to a specific task, such as clearing for a track or fire break. An Area Permit is applied for by way of defining specific boundaries required for clearing, for example a paddock or farm. All applications for clearing permits must be made to the DER and will be assessed against the Clearing Principles outlined in the EP Act.

**WHAT HAPPENS IF I CLEAR WITHOUT A PERMIT?**
The maximum financial penalty for clearing without a permit is $250,000 for an individual and $500,000 for a body corporate. A holder of a clearing permit who contravenes a condition is liable to receive a fine of up to $62,500 for an individual or $125,000 for a body corporate. The DER also has the ability to issue a Vegetation Conservation Notice requiring revegetation of a site in addition to financial penalties.
MARCHALL STREET UPGRADES – COMMUNITY FEEDBACK

During the 2019/2020 financial year the Shire of Kondinin is undertaking works upgrades to create a continuous dual use path that extends from the Hyden IGA along the existing footpath on Marshall Street to the start of the existing Wave Rock bike path and associated kerbing and re-surfacing of the Marshall Street slip lane. To progress the project the Shire is seeking feedback from the community on the following options for the proposed works. Please circle one option only.

1. SURFACE OF FOOT PATH BETWEEN IGA AND CWA BUILDING
   
   **Option 1** – Resurface with grey concrete on both the footpath and crossovers
   **Option 2** – Resurface with brick stencil on footpath and grey concrete for crossovers
   **Option 3** – Resurface a 2.5m width with grey concrete for footpath, brick stencil between the concrete path and the slip road and grey concrete for the crossovers

   *Existing concrete in front of Bower Birds to remain as is in all options.

2. SURFACE OF MARSHALL STREET SLIP LANE TO CWA
   
   **Option 1** – Resurface with black asphalt
   **Option 2** – Resurface with black asphalt with white lines marked for parallel parking
   **Option 3** – Resurface with black asphalt with parallel parking demarcated with red asphalt

3. PARKING LINES IN FRONT OF TOWN HALL
   
   **Option 1** – Leave as is
   **Option 2** – Line mark for angle parking extending from the ACROD Bay (approximately 19 bays)

4. DUAL USE PATH IN FRONT OF HYDEN HOTEL AND MOTEL
   
   **Option 1** – Extend pathway inside line of existing power poles with grey concrete
   **Option 2** – Extend pathway outside line of existing power poles with grey concrete

   *Option 1 will require footpath to go under existing power pole strut and some removal of existing garden bed adjacent to Lynch Street

5. DUAL USE PATH IN FRONT OF HYDEN TRAVEL STOP
   
   **Option 1** – Extend pathway inside of the Travel Stop lot boundary and existing garden bed (subject to written agreement with landowner)
   **Option 2** – Extend pathway outside of the Travel Stop lot boundary by replacing the brick pavers with concrete and extending 1m curve around the existing power pole

Responses are to be emailed to the Shire’s Manager Planning and Development, Tory Young on mpd@kondinin.wa.gov.au or hard copies can be submitted to the Hyden Library Office by no later than 4.00PM on Monday 12th August 2019. A copy of the survey can be downloaded from the Shire’s website www.kondinin.wa.gov.au, by contacting Tory or hard copies are available at the Hyden Library.
ABC HEYWIRE 2020 COMPETITION LAUNCHED

Young regional Australians – tell your story and change your world

The ABC is calling on people aged 16-22 to share their experiences of life in regional Australia for the opportunity to be featured on the ABC and win a lifechanging trip to Canberra for the Heywire Regional Youth Summit in February 2020.

Anyone with a story to tell about life outside of the big cities is encouraged to enter, with entries of any medium accepted, including text, video, audio and photo. The competition officially opens on 24 July 2019.

Forty winners will receive an all-expenses-paid trip to the Heywire Regional Youth Summit and will take part in workshops. The Summit gives winners an opportunity to inspire each other, develop ideas and share stories to help make life in regional Australia even better.

Past winners have used Heywire as a springboard to make positive change in their communities by exploring issues around agriculture, mental health, youth employment, disability and strengthening culture, just to name a few.

ABC Director of Regional & Local, Judith Whelan said “the Heywire competition is an important platform for young people living outside of the big cities to have their voices heard.”

“We’re proud to celebrate the stories of a new generation of Australian storytellers.” Minister for Agriculture, Bridget McKenzie encourages young people to get involved and share their stories.

“T am always inspired by the depth of capacity of young people from rural and regional Australia,” Minister McKenzie said.

“Heywire helps to showcase the next generation of young leaders.

“There is a positive future for the regions with young leaders so passionate and proud of where they come from.”

Former Heywire winner, Bethany Evans, says “It’s an enormous privilege to be a Heywire alumni and to see how the program has continued to grow and give young rural Australians a platform for discussion and change.”

“For me, my experience as a Heywire winner reaffirmed how lucky I am to call rural Australia home despite the unique challenges we face. The opportunity to meet and form lasting friendships with other rural youth from across Australia has been priceless.”

“The sense of empowerment and conviction that rural voices matter and deserve to be heard at all levels of Australian society is something that has stayed with me always.”

Get your entries in via the Heywire website by 16th of September.

Heywire acknowledges the support of the Australian Government through the Department of Agriculture and Water Resources; the Department of Education and Training; the Department of Infrastructure, Transport, Cities and Regional Development; the Department of Social Services; the Department of Health; and AgriFutures Australia.

For more information and to interview a Heywire Ambassador from your region, please contact:
